Public Hearings

Approve Renewal of Currency Exchange License for Luis and Ana Del Aguila

City Clerk Heather Slechta explained that the City received a renewal notification from the Minnesota Department of Commerce for a Currency Exchange License from Luis and Ana Del Aguila, to continue operating a currency exchange at 327 Central Avenue. The application is complete. Background checks on each of the owners and officers have been completed by the MN Bureau of Criminal Apprehension and no record was found. The application also included a fee schedule of all fees to be charged by the currency exchange office, and a \$10,000 surety bond valid through December 31, 2024.

A Currency Exchange License enables the licensee to be able to provide check-cashing services for the public to be able to cash payroll checks, federal and state checks, commercial checks, personal checks, and cashier checks. A Currency Exchange License is required for all locations that are not associated with a financial institution.

Motion by van Sluis, seconded by Caron to open the public hearing and carried unanimously. The public hearing opened at 6:03 pm.

There were no comments from the public.

Motion by Ross, seconded by van Sluis to close the public hearing and carried unanimously. The public hearing was closed at 6:03 pm.

Motion by Ross, seconded by van Sluis to Approve Renewal of Currency Exchange License for Luis and Ana Del Aguila and carried unanimously.

Items for Discussion

Resolution 2023-232 Authorize the Transfer of \$500,000 from the City's General Fund to the Faribault EDA to Administer a Special Commercial Rehabilitation Loan for Faribo Downtown Central LLC

Community and Economic Development Director David Wanberg explained that Faribo Downtown Central LLC requested a \$500,000 loan from the City to assist with rehabilitating its downtown commercial buildings. The City Council held a work session on November 21, 2023, and indicated that it would be willing to transfer \$500,000 to the Faribault Economic Development Authority (EDA) to administer a special commercial rehabilitation loan on behalf of the City for Faribo Downtown Central LLC. Staff prepared Resolution 2023-232 based on the Council's direction and reviewed the Resolution with representatives from Faribault Downtown Central LLC before the Council meeting tonight.

Councilor Doumbouya asked City Attorney Scott Riggs for his legal opinion, Riggs stated that this is legal, the City can transfer money to the EDA and direct the EDA on how to spend it—it is a policy decision. Riggs also stated that there are personal guarantees, this satisfied Councilor Spooner's concerns. Councilor Doumbouya was in support of the loan as downtown needs revitalization. Mayor Voracek felt that this was a good step forward for downtown Faribault. Councilor Caron was not in favor of approving the loan since money has already been given to the investment group through the EDA and the Housing and Redevelopment Authority.

Motion by Ross, seconded by Spooner to approve Resolution 2023-232 Authorize the Transfer of \$500,000 from the City's General Fund to the Faribault EDA to Administer a Special Commercial Rehabilitation Loan for Faribo Downtown Central LLC and carried 6:1 with Councilor Caron voting nay.

Ordinance 2023-22 Authorizing Disposal by Sale of Real Property owned by City Identified as LOT 1, BLOCK 3, CANNON RIVER VIEW (Second Reading)

City Administrator Tim Murray stated that Resolution 2023-066, adopted on March 28, 2023, declared the City-owned parcel described as LOT 1, BLOCK 3, CANNON RIVER VIEW, located at the southwest corner of 1st Avenue NW and East View Drive, as surplus property and directed staff to negotiate the sale and/or transfer of the parcels for later City Council approval.

A purchase agreement for the sale of this parcel was negotiated with David and Rachel Yetzer and was approved by the Council on October 24, 2023. Section 12.04 of the City Charter currently requires that

real property be disposed of by ordinance and approved by a minimum of five council members.

No comments have been received, nor has anything changed, since first reading.

Motion by van Sluis, seconded by Doumbouya to approve Ordinance 2023-22 Authorizing Disposal by Sale of Real Property owned by City Identified as LOT 1, BLOCK 3, CANNON RIVER VIEW (Second Reading)

Roll Call Vote:

Aye: Councilor Caron, Doumbouya, Ross, van Sluis, Spooner Thiele, Mayor Voracek

Motion carried 7:0

Motion by Ross, seconded by Caron to Approve Summary Publication of Ordinance 2023-22 and carried unanimously.

Ordinance 2023-23 Amending Article V of Chapter 14 of the Faribault City Code of Ordinances (First Reading)

City Administrator Tim Murray explained to the Council that when discussing boards and commissions earlier this year, the Council was supportive of eliminating the Council-appointed Tourism Commission, and instead having the Faribault Area Chamber of Commerce and Tourism (the Chamber) establish an internal board or committee that would advise and provide direction on the use of lodging tax funds for promoting the city. The Tourism Commission was originally established upon the passage of Ordinance 2014-14--the attached ordinance essentially reverses that, removing the requirement for a Tourism Commission.

This revision was reviewed at the Council Work Session on November 21st, with the Council in support of the change. A new 5-year agreement with the Chamber was also reviewed at the Work Session, and if the proposed ordinance is approved on first reading, the agreement will be brought forward for approval at the next City Council meeting. The new agreement is very similar to the previous 5-year agreement, but establishes the requirement for the Chamber to have an internal tourism board or committee, which would include one appointed member of the City Council. It also corrects the language on the amount of lodging tax funds that are remitted to the Chamber.

Motion by Caron, seconded by Thiele to approve Ordinance 2023-23 Amending Article V of Chapter 14 of the Faribault City Code of Ordinances (First Reading)

Roll Call Vote:

Aye: Councilor Caron, Doumbouya, Ross, van Sluis, Spooner Thiele, Mayor Voracek

Nay:

Motion carried 7:0

Bids - None

Boards and Commissions Reports, Announcements and Project Updates

The Monthly Financial Report was provided to the Council as part of the meeting materials. Councilor Spooner stated that River Bend Nature Center had a successful deer hunt. Councilor Ross mentioned that the Senior Center held their Small Business Saturday sale. City Administrator Tim Murray stated that there will be a tour of the new Riverchase Apartments on Tuesday, December 5 at 5:00 pm. He also stated that the Senate Capital Investment Committee will be at City Hall tomorrow at 11:20 am to hear about the new Viaduct Area Park, there will be 11 senators coming as part of their Bonding Tour. Mayor Voracek reviewed the Winterfest activities that will be taking place throughout the City over the next few days.

Adjournment

Motion by Ross, seconded by Thiele adjourn the City Council meeting and carried unanimously.

The City Council meeting was adjourned at 6:18 pm.

Respectfully submitted,

Heather Slechta
City Clerk

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: John Sherwin, Chief of Police
MEETING DATE: December 12, 2023
SUBJECT: Sigma Services Agreement and HIPAA Addendum with Faribault Police and Fire Departments

Background:

During the October 17, 2023, City Council Work Session, Finance Director Jeanne Schmuck, Police Chief John Sherwin, and Fire Chief Dusty Dienst discussed the upcoming allocation of Public Safety Aid money to the City of Faribault from the State of Minnesota. One of the topics discussed was officer wellness and the desire for both departments to have sworn officers and full-time firefighters undergo advanced cardiac screening.

Scientific studies throughout the United States and world demonstrate that police officers and firefighters face a much higher risk of sudden cardiac arrest when compared to the general population. Sigma Tactical Health recognizes that the average life expectancy of police officers and firefighters can be as much as 22 year less than the average life expectancy of the citizens they serve. Sigma has tailored their services to detect early onset cardiac risk and offer wellness solutions to officers and firefighters who undergo their advanced screening. The services they provide, such as carotid ultrasound testing and advanced lab work, have an out-of-pocket cost of approximately \$800. As discussed with the Council, Public Safety Aid funds will be used to supplement \$700 of the cost, allowing officers and firefighters to obtain this service for an out-of-pocket cost of \$100 per person.

Approval of the attached Services Agreement and HIPAA Addendum will allow cardiac screening to be scheduled for the Police and Fire Departments in January 2024.

Recommendation:

Approve Sigma Services Agreement and HIPAA Addendum.

SERVICES AGREEMENT

This Services Agreement (“**Agreement**”) is entered into as of _____ (the “**Effective Date**”) by Faribault Police and Fire Department (“**Client**”) and JS MD Sigma PLLC (“**Sigma**”). Client and Sigma may be referred to individually as a “**Party**” and collectively as the “**Parties**.” The Parties agree as follows:

1. **SIGMA’S SERVICES.** Sigma will perform the services as specified in **Exhibit A** (collectively, the “**Services**”).

2. BILLING, TAXES, AND INSURANCE

2.1. As consideration for the Services provided, Client shall pay Sigma fees in accordance with the fee schedule set forth in **Exhibit A (“Fee Schedule”)**. Unless otherwise provided in the Fee Schedule, Sigma will invoice Client for the Services provided, and Client shall pay Sigma’s invoices within thirty (30) days of receipt of invoice. Any late payment will be subject to an interest penalty of the lower of: (a) one percent (1.0%) per month or (b) the maximum rate permissible by law, until paid in full. Client shall complete the Account Set-up Form attached hereto as **Exhibit B** and provide other billing information requested by Sigma.

2.2. Client is responsible for payment of all taxes (including without limitation sales tax) imposed by any federal, state or local governmental entity on the transactions contemplated by this Agreement, excluding only Sigma’s income taxes.

2.3. Both Parties shall maintain at their sole cost and expense during the term of this Agreement adequate insurance customary to each Party’s operations. Each Party shall furnish to the other Party, at such Party’s request, certificates of insurance or other adequate evidence of coverage.

3. CLIENT’S OBLIGATIONS

3.1. Client shall (i) allow Sigma to conduct presentations and workshops to educate Client and its workforce regarding the services offered by Sigma; (ii) be responsible for providing, at no cost to Sigma, all equipment, facilities, supplies, utilities, including high-speed internet and telephone service, and other services as Sigma shall reasonably determine from time to time to be necessary for the performance of Services. Client shall consult and collaborate with Sigma with respect to operational needs related to equipment, facilities, supplies, utilities, and other services to be provided pursuant to this Section.

3.2. Client shall be solely responsible for ensuring that all required patient consents and/or acknowledgments are obtained and documented in accordance with best practices and applicable laws and shall inform Sigma immediately of all communications received from regulatory authorities, notices of claims or potential claims related to any Services, and forward any written communications related thereto to Sigma.

4. **COLLABORATION.** Client will meet with Sigma from time to time as requested to collaborate and coordinate on the delivery of the Services.

5. QUALITY AND COMPLIANCE

- 5.1. Each Party shall comply with all applicable laws and regulations in effect.
- 5.2. Client agrees to maintain books, records and accounts relating to the receipt of the Services, and Sigma and its auditors shall be provided reasonable access to such books, records, and accounts and the right to perform a limited business review to verify compliance with this Agreement.
- 5.3. The Parties agree that (i) the benefits to each Party under this Agreement do not require, are not payment for, and are not in any way contingent upon referring an individual to a person for the furnishing or arranging for the furnishing of any health care item or service or ordering of any health care item or services; and (ii) the compensation payable under this Agreement is based solely on the fair market value for the Services provided and not upon the volume or value of referrals or any business, if any, generated between the Parties.
- 5.4. Nothing in these terms and conditions shall be construed as permitting Client to exercise control over the professional judgment or professional methods of Sigma and its professionals.

6. INTELLECTUAL PROPERTY

- 6.1. Sigma owns all right, title and interest (including patent rights, copyrights, trade secret rights, mask work rights, trademark rights, and all other intellectual property rights of any sort throughout the world) in and to the Services and documentation and derivative works thereof. Any use by Client of Sigma's then-current names, marks, logos, and other identifiers for the Services (i) requires Sigma's prior written approval, (ii) shall comply with Sigma's standards and usage guidelines for such use, and (iii) shall cease upon expiration or termination of this Agreement.
- 6.2. Client agrees to comply with Sigma's branding guidelines with respect to the Services. Client shall not issue any press releases or similar public communication relating to this Agreement or the Services without the prior written approval of Sigma.

7. CONFIDENTIALITY

- 7.1. The Parties shall each take all reasonable efforts to ensure that this Agreement and any information related to the business, plans, technology, products or other information of the other Party acquired by virtue of this Agreement shall be kept confidential and shall not be disclosed or made use of except as necessary for the acquiring Party to perform its obligations under this Agreement. The provisions of this clause shall not apply to the extent that the information (i) is required to be used or disclosed to comply with applicable laws or regulations or with a court order, (ii) was in the public domain prior to its use or disclosure, (iii) was independently developed or discovered without use of the other Party's confidential information, or (iv) was revealed by a third party having no obligation of confidentiality with regard to the information.
- 7.2. The Parties shall protect the privacy of all patient health information in accordance with the Privacy and Security Rules promulgated under the Health Insurance Portability and Accountability Act ("HIPAA") as well as other applicable federal and state laws. A Party having knowledge of any unauthorized or improper

uses or disclosures made while performing hereunder shall promptly report such unauthorized use or disclosure to the other Party.

8. DISCLAIMERS AND LIMIT OF LIABILITY

8.1. SIGMA DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, THAT (I) THE RESULTS OF THE SERVICES SHALL BE FIT FOR ANY PARTICULAR PURPOSE, OR (II) THE SERVICES WILL PRODUCE A PARTICULAR RESULT OR BE 100% SUCCESSFUL OR ACCURATE.

8.2. In the event of any deficiently performed Services, Client's sole remedy against Sigma in such instance shall be for Sigma to re-perform the Services at its own cost, and Sigma's total liability to Client (whether for breach of contract, negligence or otherwise) with respect to the Services under the Agreement shall be limited to the revenue it received from Client during this Agreement. Except for damages arising out of willful or reckless conduct or a violation of applicable law, neither Party shall be liable to the other for indirect, incidental, consequential, exemplary or special damages, including without limitation damages for lost profit, regardless of the form of action, whether contract, warranty, strict liability or tort.

8.3. Client represents and warrants that, as of the Effective Date and during the term of this Agreement: (i) Client possesses and agrees to maintain all licenses, registrations and approvals necessary for its performance of this Agreement, and (ii) Client is not precluded by any contract or other obligation from entering into or performing under this Agreement.

9. TERM AND TERMINATION

9.1. The initial term of this Agreement commences on the Effective Date and terminates upon the completion of the Services or 11-21-2024, whichever occurs first.

9.2. Either Party may terminate this Agreement without cause upon sixty (60) days' prior written notice. A Party may terminate this Agreement upon providing the other Party written notice of breach of this Agreement by the other Party, if the other Party fails to cure the breach within fifteen (15) days of receiving the notice of breach. In the event of termination of this Agreement, all compensation for Services performed prior to the date of termination shall be payable to Sigma in accordance with this Agreement.

1. All obligations of a Party set forth in this Agreement that by their nature continue beyond expiration, termination, or cancellation of this Agreement (including, without limitation, the warranties, indemnification obligations, confidentiality requirements and ownership and property rights) shall survive any such expiration, termination or cancellation shall survive expiration, termination, or cancellation of this Agreement for any reason.
2. **NOTICES.** Any notices, demands or consents required or permitted under this Agreement ("**Notices**") shall be in writing in English, addressed as set forth below, and deemed effectively given: (a) upon personal delivery (with signature evidence of delivery); (b) upon delivery confirmation if sent by prepaid first class registered or certified mail (return receipt requested), or by an internationally-recognized express courier service (providing evidence of

delivery); or (c) upon the date of transmission (or the next business day, if it is not a business day), if sent by facsimile or email.

1. **MISCELLANEOUS.** The Parties shall be independent contractors in their performance under this Agreement. This Agreement (including the exhibits attached hereto) constitutes the entire agreement between the Parties with regard to the subject matters hereof and may not be amended or modified without each Party's agreement in writing. Neither Party may assign or transfer this Agreement and/or the rights and obligations hereunder except that Sigma may assign this Agreement to its affiliates or in connection with the transfer or sale of all or substantially all of its assets, or the assets which are the subject matter of this Agreement, or its merger with another entity. Subject to the foregoing, this Agreement shall be binding upon, and inure to the benefit of, the successors, representatives and permitted assigns of the Parties hereto. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. HIPAA Business Associate Addendum

Sigma Wellness LLC serves as the management service organization of JS MD Sigma PLLC, which is a covered entity under the HIPAA Rules (“Covered Entity”). Business Associate agrees that (1) this HIPAA Business Associate Addendum (this “Addendum”) is entered into for the benefit of Sigma Wellness PLLC and Covered Entity; (2) Covered Entity shall be and constitutes an intended third-party beneficiary of the terms and conditions of this HIPAA Business Associate Addendum.

Pursuant to the underlying agreement(s) and/or contractual arrangement(s) (the “Underlying Agreement”) between Sigma Wellness PLLC and Faribault Police and Fire Department (“Business Associate”), Business Associate may provide services to or perform functions or activities on behalf of Covered Entity involving the use disclosure, transmission or maintenance of protected health information created or received by Business Associate on behalf of Covered Entity (“PHI”). Therefore, Business Associate is functioning as a business associate to Covered Entity, Business Associate agrees to the following terms and conditions set forth in this HIPAA Business Associate Addendum.

1. **Definitions.** For purposes of this Addendum, the terms used herein, unless otherwise defined, shall have the same meanings as used in the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), or the Health Information Technology for Economic and Clinical Health Act (“HITECH”), and any amendments or implementing regulations, (collectively, the “HIPAA Rules”).
2. **Compliance with Applicable Law.** The parties acknowledge and agree that, beginning with the relevant effective dates, Business Associate shall comply with its obligations under this Addendum and with all obligations of a business associate under HIPAA, HITECH, the HIPAA Rules, and other applicable laws and regulations, as they exist at the time this Addendum is executed and as they are amended, for so long as this Addendum is in place.

3. **Permissible Use and Disclosure of PHI.** Business Associate may use and disclose PHI as necessary to carry out its duties to Covered Entity pursuant to the terms of the Underlying Agreement, as permitted or required by this Addendum, and as required by law. Business Associate may also use and disclose PHI (i) for its own proper management and administration, and (ii) to carry out its legal responsibilities. If Business Associate discloses Protected Health Information to a third party for either above reason, prior to making any such disclosure, Business Associate must obtain: (i) reasonable assurances from the receiving party that such PHI will be held confidential and be disclosed only as required by law or for the purposes for which it was disclosed to such receiving party; and (ii) an agreement from such receiving party to immediately notify Business Associate of any known breaches of the confidentiality of the PHI.
4. **Limitations on Use and Disclosure of PHI.** Business Associate shall not, and shall ensure that its directors, officers, employees, subcontractors, and agents do not, use or disclose PHI in any manner that is not permitted by this Addendum or that would violate Subpart E of 45 CFR 164 (“Privacy Rule”) if done by Covered Entity. Business Associate is not authorized to create de-identified information from PHI. All uses and disclosures of, and requests by, Business Associate for PHI are subject to the minimum necessary rule of the Privacy Rule and consistent with Covered Entity’s minimum necessary policies and procedures.
5. **Required Safeguards To Protect PHI.** Business Associate shall use appropriate safeguards, and comply with Subpart C of 45 CFR Part 164 (“Security Rule”) with respect to electronic PHI, to prevent the use or disclosure of PHI other than pursuant to the terms and conditions of this Addendum.
6. **Reporting to Covered Entity.** Business Associate shall immediately report to Covered Entity: (a) any use or disclosure of PHI not provided for by this Addendum of which it becomes aware; (b) any breach of unsecured PHI in accordance with 45 CFR Subpart D of 45 CFR 164 (“Breach Notification Rule”); and (c) any security incident of which it becomes aware. Business Associate shall cooperate with Covered Entity’s investigation, analysis, notification and mitigation activities, and shall be responsible for all costs incurred by Covered Entity for those activities.

7. **Mitigation of Harmful Effects.** Business Associate agrees to mitigate, to the extent practicable, any harmful effect of a use or disclosure of PHI by Business Associate in violation of the requirements of this Addendum, including, but not limited to, compliance with any state law or contractual data breach requirements.
8. **Agreements by Third Parties.** Business Associate shall enter into an agreement with any subcontractor of Business Associate that creates, receives, maintains or transmits PHI on behalf of Business Associate. Pursuant to such agreement, the subcontractor shall agree to be bound by the same restrictions, conditions, and requirements that apply to Business Associate under this Addendum with respect to such PHI.
9. **Access to PHI.** Within five (5) days of a request by Covered Entity for access to PHI about an individual contained in a Designated Record Set, Business Associate shall make available to Covered Entity such PHI for so long as such information is maintained by Business Associate in the Designated Record Set, as required by 45 CFR 164.524. In the event any individual delivers directly to Business Associate a request for access to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.
10. **Amendment of PHI.** Within five (5) days of receipt of a request from Covered Entity for the amendment of an individual's PHI or a record regarding an individual contained in a Designated Record Set (for so long as the PHI is maintained in the Designated Record Set), Business Associate shall provide such information to Covered Entity for amendment and incorporate any such amendments in the PHI as required by 45 CFR 164.526. In the event any individual delivers directly to Business Associate a request for amendment to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.

11. **Documentation of Disclosures.** Business Associate agrees to document disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528 and HITECH.
12. **Accounting of Disclosures.** Within five (5) days of notice by Covered Entity to Business Associate that it has received a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity information to permit Covered Entity to respond to the request for an accounting of disclosures of PHI, as required by 45 CFR 164.528 and HITECH.
13. **Other Obligations.** To the extent that Business Associate is to carry out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with such requirements that apply to Covered Entity in the performance of such obligations. Covered Entity shall notify Business Associate of any limitation(s) in its notice of privacy practices of Covered Entity, in accordance with 45 CFR 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI. Covered Entity shall notify Business Associate of any changes in, or revocation of, permission by an individual to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.
14. **Judicial and Administrative Proceedings.** In the event Business Associate receives a subpoena, court or administrative order or other discovery request or mandate for release of PHI, Covered Entity shall have the right to control Business Associate's response to such request. Business Associate shall notify

Covered Entity of the request as soon as reasonably practicable, but in any event within two (2) days of receipt of such request.

15. **Availability of Books and Records.** Business Associate hereby agrees to make its internal practices, books, and records available to the Secretary of the Department of Health and Human Services for purposes of determining compliance with the HIPAA Rules.
16. **Breach of Contract by Business Associate.** In addition to any other rights Covered Entity may have in the Underlying Agreement, this Addendum or by operation of law or in equity, Covered Entity may: i) immediately terminate the Underlying Agreement if Covered Entity determines that Business Associate has violated a material term of this Addendum; or ii) at Covered Entity's option, permit Business Associate to cure or end any such violation within the time specified by Covered Entity. Covered Entity's option to have cured a breach of this Addendum shall not be construed as a waiver of any other rights Covered Entity has in the Underlying Agreement, this Addendum or by operation of law or in equity.
17. **Effect of Termination of Underlying Agreement.** Upon the termination of the Underlying Agreement or this Addendum for any reason, Business Associate shall return to Covered Entity or, at Covered Entity's direction, destroy all PHI received from Covered Entity that Business Associate maintains in any form, recorded on any medium, or stored in any storage system. This provision shall apply to PHI that is in the possession of Business Associate, subcontractors, and agents of Business Associate. Business Associate shall retain no copies of the PHI. Business Associate shall remain bound by the provisions of this Addendum, even after termination of the Underlying Agreement or Addendum, until such time as all PHI has been returned or otherwise destroyed as provided in this Section. Notwithstanding the foregoing, in the event Business Associate believes in good faith that returning or destroying the PHI is infeasible, Business Associate will notify Covered Entity in writing of the conditions that make return or destruction infeasible. Upon mutual agreement of the Parties that return or destruction of the PHI is infeasible, Business Associate may refrain from return or destruction. With respect to any such retained PHI, Business Associate must extend the protections of this Addendum to such PHI and limit further uses or disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If it is infeasible for Business Associate to obtain from a subcontractor or agent any PHI in the possession of the subcontractor or agent, Business Associate will provide a written explanation to Covered Entity and require the subcontractors and agents to agree to extend any and all protections, limitations, and restrictions contained in this Addendum to the subcontractors' and/or agents' use and/or

disclosure of any PHI retained after the termination of this Underlying Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible for so long as the subcontractor or agent possesses/maintains such PHI.

18. **Injunctive Relief.** Business Associate stipulates that its unauthorized use or disclosure of PHI while performing services pursuant to this Addendum would cause irreparable harm to Covered Entity, and in such event, Covered Entity shall be entitled to institute proceedings in any court of competent jurisdiction to obtain damages and injunctive relief.
19. **Indemnification.** Business Associate shall indemnify and hold harmless Covered Entity and its officers, trustees, employees, and agents from any and all claims, penalties, fines, costs, liabilities or damages, including but not limited to reasonable attorney fees, incurred by Covered Entity arising from Business Associate's breach of its obligations under this Addendum, the HIPAA Rules, or relating to its use, disclosure, or safeguarding of PHI.
20. **Exclusion from Limitation of Liability.** To the extent that Business Associate has limited its liability under the terms of the Underlying Agreement, whether with a maximum recovery for direct damages or a disclaimer against any consequential, indirect or punitive damages, or other such limitations, all limitations shall exclude any damages to Covered Entity arising from Business Associate's breach of its obligations under this Addendum, the HIPAA Rules, or relating to its use, disclosure, or safeguarding of PHI.
21. **Owner of PHI.** Under no circumstances shall Business Associate be deemed in any respect to be the owner of any PHI created or received by Business Associate on behalf of Covered Entity.
22. **Third Party Rights.** The terms of this Addendum do not grant any rights to any parties other than Business Associate and Covered Entity.

23. **Independent Contractor Status.** For the purposes of this Addendum, Business Associate is an independent contractor of Covered Entity, and shall not be considered an agent of Covered Entity.
24. **Changes in the Law.** The parties shall amend this Addendum to conform to any new or revised legislation, rules and regulations to which Covered Entity is subject now or in the future including, without limitation, HIPAA, HITECH, and the HIPAA Rules .
25. **Conflicts.** If there is any direct conflict between the Underlying Agreement and this Addendum, the terms and conditions of this Addendum shall control.
26. **Term.** The term of this Addendum shall begin on the Effective Date and shall terminate when the Underlying Agreement terminates. The “Effective Date” is deemed to be the date on which Business Associate signed the Underlying Agreement.

FROM: Jeanne Schmuck, Finance Director
MEETING DATE: December 12, 2023
SUBJECT: Resolution 2023-241 Approving the Decertification of Tax Increment Financing District #6-1, Village at Park Avenue

Background:

Tax Increment Financing (TIF) District 6-1 was created in 1996 for the construction of a forty (40) rental unit townhouse development, Village at Park Avenue. The rental units were to be leased to households with incomes in the low- to moderate-income bracket. TIF proceeds were to be used to offset rents in roughly 50% of the units. TIF funds were to be reimbursed to the developer in accordance with the development agreement on a PAYGo basis, up to \$20,000 per year for ten years. The developer received increment payments beginning in 1998 after receipt of the first increment from the County. Payments continued for the remainder of the ten-year period, as provided in the development agreement, with the final payment in 2009. The developer did not receive the full amount of eligible reimbursement due to the fractional increment received in 1998 and the onset of the ten-year term defined in the development agreement. The District has a required decertification date of December 31, 2023, and must be confirmed to the County Auditor. Tax increment payments will be discontinued, and the taxes generated by the property will be distributed in the same manner as all other property taxes.

Recommendation:

Approve Resolution 2023-241 Approving the Decertification of Tax Increment Financing District #6-1 Village at Park Avenue.

CITY OF FARIBAULT

RESOLUTION #2023-241

APPROVING THE DECERTIFICATION OF TAX INCREMENT FINANCING DISTRICT #6-1, VILLAGE AT PARK AVENUE

WHEREAS, on August 13, 1996, the City of Faribault (the "City") created its Tax Increment Financing District #6-1, Village at Park Avenue within its Redevelopment Project No. 6 (the "Project"); and

WHEREAS, as of the date hereof all bonds and obligations to which have been pledged, have been paid in full or defeased and all other costs of the Project have been paid; and

WHEREAS, the required decertification date is December 31, 2023 and the final payment was distributed on December 1, 2023; and

WHEREAS, the City desires by this resolution to cause the decertification of Tax Increment Financing District #6-1, Village of Park Avenue, after which all property taxes generated by property within the District will be distributed in the same manner as all other property taxes.

NOW, THEREFORE BE IT RESOLVED, by the City of Faribault that the City's staff shall take such action as is necessary to cause the County Auditor of Rice County to decertify Tax Increment Financing District #6-1, Village of Park Avenue as a tax increment district and to no longer remit tax increment from the district to the City.

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Kevin Bushard, Human Resources Director
MEETING DATE: December 12, 2023
SUBJECT: Approve Release Agreement

Background:

The City Council approved an Early Voluntary Retirement Incentive Program. There are 10 current City employees that are eligible under the program. Four release agreements have already been approved and the remainder of the eligible employees had until November 30, 2023 to decide whether or not they wanted to participate. Staff received another notice from one of the eligible employees that would like to participate in the program. The Release Agreement has been prepared and is attached for approval.

Recommendation:

Approve Release Agreement.

Attachments:

1. Ann Remold Release Agreement

Release Agreement Early Voluntary Retirement

This is an agreement (the "Agreement") between Ann Remold (hereinafter "Employee") and the City of Faribault (hereinafter the "City") regarding Employee's early voluntary retirement from employment with the City and Employee's acceptance of certain benefits in exchange for signing this release agreement. The purpose of this Agreement is to fully resolve any and all early incentive retirement benefits, any regular retirement benefits, and any and all disputes/claims concerning employment, early retirement and/or regular retirement with the City.

Terms and conditions for this program are outlined in the 2023 Early Retirement Incentive Program (the "Program"), a copy of which is attached and made part of this Agreement, as approved by the Faribault City Council.

1. In exchange for the promises and agreements made by Employee in this Agreement, the City will provide Employee with the following benefits:
 - a. Payment of any accrued leave according to termination consideration set forth in any employee contract or employee compensation guidelines.
 - b. A lump sum payment in accordance with the financial incentive payment section of the Program (with the amount specified below). The lump sum payment along with any other negotiated or agreed upon retirement benefits shall be made to Employee within fourteen (14) days after the expiration of the rescission/revocation periods identified in Paragraph 3 herein.
 - c. As permitted or required by law, retired employees may stay on the City's health insurance, but will be required to pay the full premium for the plan they select.
2. In exchange for the benefits provided by the City as described above, Employee agrees to the following terms:
 - a. Date of retirement shall be no later than May 31, 2024.
 - b. The lump sum payment amount shall be \$10,147.60.
 - c. This agreement constitutes the entire agreement between the parties with respect to the employment relationship between Employee and the City, and replaces any and all prior

agreements or understandings, including collective bargaining agreements, and the parties agree that there were no inducements or representations leading to the execution of this Agreement except as herein contained.

- d. In consideration of the terms described in this agreement and release of claims, Employee and their heirs, administrators, representatives, successors, and assigns, releases and forever discharges the City and its attorneys, agents, representatives, employees, former employees, insurers, heirs, executors and assigns of and from any and all past, present or future claims, demands, obligations, actions or causes of action, at law or in equity, whether arising by statute, common law or otherwise, and for all claims for damages, of whatever kind or nature, and for all claims for attorneys' fees, costs and expenses, including but not limited to all claims of any kind arising out of your employment, including but not limited to claims for emotional distress, discrimination, or constructive discharge. Employee specifically releases the City from any claims for benefits, salary, severance payments, or any other benefits to which you might otherwise be entitled.
- e. Employee is not releasing or relinquishing any right to defense and indemnification by the City for any possible claims asserted by third parties arising out of the performance of Employee's duties as an employee of the City for which the City is obligated by state or federal law to defend and indemnify the Employee.
- f. In consideration of the terms described in this agreement and release of claims, Employee further acknowledges they are knowingly and voluntarily waiving all possible rights or claims arising under the Age Discrimination in Employment Act, 29 U.S.C. 626, and all possible rights or claims arising under the Minnesota Human Rights Act, Minn. Stat. 363A, et al., and that Employee has had an opportunity to consult with an attorney concerning the waiver of and content of the rights available under these acts.
- g. Employee further acknowledges they are waiving and releasing any rights that Employee might otherwise have under the City Charter, and state or federal law with respect to a hearing with respect to any matter arising out of Employee's employment with the City or arising out of matters set forth in this Agreement.
- h. Employee acknowledges that all confidential information regarding the business of the City compiled by, created by, and obtained by, or furnished to Employee during their employment with the City is the exclusive property of the City. Employee will promptly, on or prior to the date of Employee's retirement, return to the City all originals and copies of any material involving such confidential information. Employee affirms and agrees to abide by their obligation not to use or disclose confidential information about the City to any third party, including but not limited to potential employers, parties doing business with the City or parties with interests adverse to the City. Employee further affirms they understand that the term "confidential information" includes, but is not limited to, sensitive

and/or legally privileged data, but does not include information and documents already in the public domain.

- i. Employee acknowledges they voluntarily entered into discussions with Administration regarding the Early Voluntary Retirement program. Employee further acknowledges that both parties mutually agreed to the terms and conditions of this program under the auspices that the purpose of the program is to aid an employee who wants to retire but needs assistance with health insurance coverage and that the City benefits in the short term and/or long term from the reduction in salary/benefits/severance costs.
 - j. The City reserves the right to cancel this program at any time. However, any employees that have fully executed agreements will still be entitled to receive the incentive, assuming they have complied with all the terms and conditions of this program and the agreement.
3. This Agreement is subject to the following rescission/revocation periods as provided by law:

<u>Act</u>	<u>Revocation Period</u>
Age Discrimination in Employment Act, 29 U.S.C. § 626(f) (1) (G)	7 days
Minnesota Human Rights Act, Minn. Stat. § 363A.031, Subd. 2	15 days

Once the Agreement has been executed, the Employee understands that he/she has the right to rescind and/or revoke the waivers and releases contained in this Agreement. To be effective, the rescission or revocation must be in writing and delivered to the City either by hand or mail within the 7-day period for the Age Discrimination in Employment Act, or within the 15-day period for the Minnesota Human Rights Act. If delivered by mail, the rescission or revocation must be: (1) postmarked within the applicable 7- or 15-day period; (2) properly addressed to the City; and (3) sent by certified mail return receipt requested. The address of the City is:

City of Faribault
Attention: Kevin Bushard, Human Resources Director
208 NW 1st Avenue
Faribault, MN 55021

IN WITNESS WHEREOF, City has caused this Agreement to be executed on its behalf by its Mayor and City Council, and Employee has signed this Agreement, as of the day and year written below.

MEETING DATE: December 12, 2023
SUBJECT: Approve Agricultural Land Tiling Agreement

Background:

The City owns PID 15.13.3.00.001 which contains 104 acres of land suited for agriculture. The land is primarily used for the land application of bio-solids from the Water Reclamation Facility (WRF) in the spring and fall. James & Debra Purfeerst, Faribault, MN, currently rent the land for agricultural production in coordination with land application of bio-solids under a lease through 2024. The City has rented the land to the Purfeersts for the past 24 years.

Attached is a proposed agreement to allow the Purfeersts to tile the property, which will have crop production benefits, increased land value and improved field access for bio-solids application in the spring. Under the agreement, the Purfeersts would be responsible for all tiling costs. If the City discontinues renting to the Purfeersts at any time in the next ten years, the City would be responsible for the tiling costs as outlined in Exhibit B of the agreement.

A draft agreement was presented at the September 5th and 19th City Council work sessions where the Council directed staff to proceed with the agreement. The agreement has been reviewed by the City Attorney.

Recommendation:

Approve Agricultural Land Tiling Agreement

Attachments:

1. Agricultural Land Tiling Agreement

AGREEMENT

This Agreement made this 29 day of November, 2023 (the "Effective Date"), by and between the City of Faribault, a Minnesota municipal corporation, (the "City") and James M. Purfeerst and Debra K. Purfeerst, individuals married to each other, ("Purfeerst"), collectively referred to as the Parties.

RECITALS

A. The City is the owner of real property, consisting of 104 acres, PID 15.13.3.00.001, described in attached Exhibit A, (the "Property").

B. Purfeerst is the current tenant of the Property.

C. Purfeerst wishes to tile the Property, and the City has agreed to allow Purfeerst to perform tilling and tiling (the "Work") on the Property.

Now, therefore, it is hereby agreed that in consideration for the mutual promises between the Parties and other good and valuable consideration, the Parties hereby agree as follows:

1. Term. This Agreement will commence on the Effective date and will remain in effect while Purfeerst remains the tenant of the Property, or over a ten-year term, whichever occurs first. The term of this Agreement will run congruently with any lease entered into between the Parties for the Property.

2. Obligations.

a. Purfeerst agrees to:

- i. Use commercially reasonable efforts to perform the Work and otherwise maintain the Property.
- ii. Pay all costs of the Work.
- iii. Abide by any additional parameters as any existing or future lease agreements related to the Property may impose.

b. The City Agrees to:

- i. Reimburse Purfeerst for remaining costs of the Work, pursuant to the table attached as Exhibit B, if the City terminates this agreement before the year 2033.
- ii. Abide by any additional parameters as any existing or future lease agreements related to the Property may impose.

3. Indemnification.

- a. This paragraph will not be construed as a waiver by either Party of any statutory liability limitations or immunities set forth in Minnesota Statutes.
- b. Neither Party shall be liable to the other for punitive, indirect, exemplary, consequential, or incidental damages arising in connection with this Agreement, and each party hereby waived its right to claim any such damages.

4. Compliance with Laws. The Parties shall not commit or permit any act to be performed on the Property or omission to occur which will be in violation of any statute, regulation, or ordinance of any governmental body or which will be in violation of any insurance policy carried on the license area by the licensee.

5. Assignability. Neither party shall assign this agreement without the prior written consent of the other party.

6. Amendments. This Agreement may only be supplemented or amended by written instrument executed by the Parties.

7. Waiver. Any waiver by either party or a breach of any provision of this Agreement shall not affect in any respect the validity of the remainder of this Agreement.

8. Invalidity. If any portion of this Agreement is held invalid by a court of competent jurisdiction, such decision shall not affect the validity of any remaining portion of the Agreement.

9. Counterparts. This agreement may be executed simultaneously in any number of counterparts, all of which shall constitute one and the same instrument.

10. Government Data Practices. This Agreement is subject to the Minnesota Government Data Practices Act, Minnesota Statute Chapter 13 (the "MGDPA"). All government data, as defined in the MGDPA, which is created, collected, received, stored, used, maintained, or disseminated, by the Parties during performance of this Agreement, is subject to the requirements of the MGDPA.

11. Governing Law. This Agreement is governed by and construed in accordance with the laws of the State of Minnesota. Any disputes, controversies, or claims arising out of this Agreement shall be heard in the state or federal courts of Minnesota. The Parties waive any objection to the jurisdiction of these courts, whether based on convenience or otherwise.

12. Binding. This Agreement is binding upon the heirs, personal representatives, successor and assigns of the Parties.

SUBJECT: Approve Grant Funded Purchase of FARO Crime Scene Scanner

Background:

During the October 10, 2023 City Council Meeting, Resolution #2023-187 was adopted authorizing the Faribault Police Department to accept a grant award from the Bureau of Justice Assistance (BJA) Rural and Small Department Violent Crime Reduction Program. As part of the grant application and subsequent award, a FARO 3D crime scene scanner was identified as technology to be purchased by the Police Department to help reduce violent crime.

A FARO 3D scanner is used in forensic analysis and recreates scanned crime scenes to help investigators, analysts, and prosecutors serve the justice system and promote safety. Scanned scenes accurately capture and document crimes, include digital measuring tools, and allow for multiple points of view for the user. This technology is a game changer in the courtroom when presenting evidence. Scanners can also be used for accident reconstruction and safety pre-planning for events on public infrastructure or other buildings.

The attached purchase agreement with FARO for the amount of \$45,846 will be paid for with BJA grant funds. These funds cover the cost of the equipment, software, training, and a 3-year warranty from the date of purchase.

MEETING DATE: December 12, 2023
SUBJECT: Approve Customizable Lighting Guidance Policy

Background:

The customizable LED lighting for the City's new NW Area Water Tower was put into operation on December 4, 2023. The LED lighting is color changing and programmable and, as such, the City is likely to receive requests from various parties to have the tower lighting done in certain colors and/or patterns to recognize specific occasions. This is similar to other structures (bridges, towers, buildings) around the area and the state that have similar lighting systems. With that said, it is good practice to have a Council-adopted policy in place to lay out a process for these requests as well as have a policy dictating how these requests may be honored and handled.

After reviewing other public entities' policies on similar structure lighting systems and following discussion at the City Council work session on December 5, 2023, City staff have developed the attached final policy for Council consideration. If approved, the City would begin accepting lighting requests from the online form as early as December 18th, 2023.

Recommendation:

Approve Customizable Lighting Guidance Policy

Customizable Lighting Guidance

Position Statement

This guidance document applies to City of Faribault's infrastructure (water tower, buildings, bridges, etc.) equipped with customizable lighting systems and addresses external requests for special lighting.

The City will generally approve requests from organizations to commemorate widely recognized or historical events or annual celebrations; to enhance awareness efforts; or to recognize a specific occasion, event or person of local, statewide or national significance.

The City reserves the right to deny requests, including those of a private nature such as for birthdays or wedding anniversaries. The City will also deny any requests that aim to promote any political candidate or individual running for office or that violate the Minnesota Human Rights Act.

The City provides this opportunity as a public service. Special lightings do not imply an endorsement of any organization or topic by the City. On dates not included in the regular lighting schedule below, or on dates without a request from outside organizations, the tower will be illuminated in blue or as directed by the City Council. The City may also choose to highlight other days it deems appropriate.

Application Process

- A. An applicant must submit their request for customizable lighting in writing to the City of Faribault via its online form available at <https://www.ci.faribault.mn.us/FormCenter/General-4/Customizable-Lighting-Requests-103>.

The application must include the following information:

1. Organization name
2. Website, if applicable
3. Address
4. Individual requestor's name
5. Phone
6. Email
7. Detailed description of the event you would like to recognize
8. Event date
9. If more than one event date, list date range and reason for multiple date request
10. Structure to be illuminated

11. Specific colors requested (RGB #s)

- B. A request must be submitted to the City at least 30 days in advance of the date for which the lighting request is made. The City may waive this requirement when it is not practical but reserves the right to deny any requests made with less than 30 days' notice.

Approval Process

- A. The City will review each application. An application that meets the criteria detailed in the above Position Statement and Application Process will be approved to the first requester on that date.
- B. The City will inform the requester whether their request has been approved or denied within 10 business days after receiving the application.
 - a. Approved requests will be granted for one night only, unless approved otherwise in the City's sole discretion.
 - b. Only one special lighting request will be granted for each requester annually, unless approved otherwise in the City's sole discretion.
 - c. Infrastructure lightings will generally begin 30 minutes before sunset on the date(s) requested and end 30 minutes after sunrise.
- C. The City will work with appropriate staff to program the infrastructure lighting accordingly.
- D. Once a request is approved, the requesting organization is free to share information about the customizable lighting in accordance with the language of their request, but may not use the lighting for fiscal gain.
- E. The City reserves the right to share information publicly about approved lightings at the City's discretion, though maintains no obligation, commitment or responsibility to provide photographs of infrastructure lighting to a requester or take any action to promote an approved infrastructure lighting.
- F. The City reserves the right to revoke a prior approval if it becomes aware after the approval was issued that the terms of this guidance have not been met or for other compelling reasons in the City's sole discretion.
- G. The City reserves the right to remove a requester from the infrastructure lighting program for up to 24 months if City finds that the requester has provided false or misleading information in the application process.

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Kevin Bushard, Human Resources Director
MEETING DATE: December 12, 2023
SUBJECT: Approve City Administrator Employment Agreement

Background:

The City Council has conducted an annual performance review of Timothy C. Murray, as City Administrator for the City of Faribault. As part of the evaluation process, the City Council evaluated Mr. Murray on reporting, fiscal management, supervision, leadership, Council relations, intergovernmental relations, community relations and personal traits. The process reached the following conclusions: Mr. Murray's performance exceeds or meets expectations in all areas. Goals, objectives and areas to focus on were given to Mr. Murray to work towards. As per Mr. Murray's employment agreement with the City of Faribault, and by exceeding or meeting all expectations, he will receive a one-step increase in wages Grade V Step 12 under the 2024 wage structure, a lump sum merit increase of \$2500, and also receive 50 hours of administrative leave, effective January 1, 2024.

Staff recommends the approval of the City Administrator Employment Agreement that is attached.

Recommendation:

Approve the City Administrator Employment Agreement.

Attachments:

1. City Administrator Employment Agreement 2023-12-12

CITY ADMINISTRATOR EMPLOYMENT AGREEMENT REVISIONS AND COMPENSATION

THIS EMPLOYMENT AGREEMENT (hereinafter referred to as the "Agreement") is made and entered into by and between the City of Faribault, a Minnesota municipal corporation (hereinafter referred to as the "City") and Timothy C. Murray (hereinafter referred to as the "Administrator") as of the 12th day of December 2023.

WHEREAS, the City wishes to engage the services of the Administrator as a professional for an unspecified time period; and

WHEREAS, the parties wish to set forth the terms and conditions of their relationship in this Agreement in order to assure the requisite flexibility to enable the Administrator to function as the City's chief administrative official; and

WHEREAS, the nature of the Administrator's position requires continued professional training and attendance at meetings during the evenings and other nontraditional work times.

NOW, THEREFORE, in consideration of the mutual covenants set forth in this agreement, City and Administrator agree as follows:

Section 1. Employment. Administrator shall continue to be employed by the City as City Administrator, having been initially appointed to this position on January 15, 2018.

Section 2. Duties. The duties of the Administrator's position shall be set forth in the job description, City Charter and City ordinances and such other duties which are consistent therewith as may be assigned from time to time by the City Council.

Section 3. Discharge of Duties. Administrator shall be paid a salary as a professional exempt employee and shall not be paid overtime for hours in excess of 40 hours per week and similarly shall be able to be absent from work from time to time in consideration of the extraordinary time expenditures of the position. The discharge of Administrator's duties requires work outside the normal workday for meetings and projects. To that end, the Administrator will work flexible hours as is necessary to discharge the duties of his position.

Section 4. Participation in Employee Benefit. Except as otherwise specified within this Agreement, Administrator shall receive or be eligible to participate in any other benefits provided for non-union employees of the City generally.

At the present time, benefits provided by the City include medical, dental, long term disability, holidays and life insurance (in an amount that is two times Administrator's annual salary up to a maximum of \$300,000) with an option to purchase additional life coverage. The City retains the right in the City's sole discretion to modify, change or eliminate any and all benefits provided by the City to employees and the Administrator specifically.

Section 5. Vacation and Administrative Leave. Administrator shall accrue vacation time at the rate of 25 days per year, with a maximum accrual of 500 hours. Administrator shall not be required to use vacation leave except when absent from work and not performing the duties of the Administrator for more than half of a work day.

Administrator will be awarded 50 hours of banked administrative leave on January 1, 2024. The Administrator will be eligible to accrue Administrative leave, which will be capped at 500 hours.

Upon leaving the City's employment, for whatever reason, the Administrator shall be entitled to payment for all accrued and unused vacation and administrative leave at the Administrator's then current rate of compensation.

Section 6. Sick Leave. Administrator shall accrue days of sick leave at the same rate as other non-union employees to the annual maximum of 15 days (120 hours).

Upon severance, pay for accrued sick leave shall be paid to the Administrator if leaving the City in good standing in the following amounts:

All of accrued sick leave for the first 200 hours.

One-half of accrued sick leave for any hours in excess of 200.

Sick leave severance benefits will be paid at the Administrator's regular rate of pay on the last date as an employee.

Section 7. Compensation.

A. Salary/Performance Evaluation. The Administrator's salary shall be \$191,006.00 (Grade V, Step 12), effective the date of January 1, 2024, based on the Administrator receiving an exceptional review for work performance in 2023. With his performance for 2023, the Administrator will also receive a lump sum merit of \$2,500, paid on the first payroll of 2024. Thereafter, future increases in salary are subject to satisfactory performance evaluations and City approval and shall be granted at the same time granted to other non-union employees. The Administrator shall also receive any negotiated Cost of Living Adjustment (COLA) awarded to all other non-union employees going forward.

B. Professional Membership Dues and Professional Subscriptions. The City will pay the cost of membership in the International City/County Management Association, the Minnesota City/County Management Association, the League of Minnesota Cities, and like organizations and subscriptions to professional journals and publications.

C. Participation in Professional Training/Development. The City agrees to budget and pay the travel and subsistence expenses for professional and official travel, meetings and occasions adequate to continue professional development. Administrator shall use good judgment on outside activities so as not to neglect the Administrator's primary duties to the City. Seminars and conferences Administrator may attend include, but not limited to, the

International City/County Management Association, Minnesota City/County Management Association, Southeast Minnesota League, Economic Development Association of Minnesota and the League of Minnesota Cities. The City shall budget for and pay the travel and subsistence expenses for short courses or seminars that are necessary for the Administrator's professional development and for the good of the City as approved by the City Council.

Section 8. Expenses Incurred in Performing Duties. The City shall reimburse or directly pay for actual expenses reasonably incurred by the Administrator that are directly related to performing Administrator's duties. The parties contemplate that the Administrator will incur expenses for travel, attendance at meetings, etc.

Section 9. Retirement Benefits. The City shall pay the employer's portion of the Minnesota Public Employment Retirement Association (PERA) contribution on Administrator's salary, or the Administrator may opt out of PERA, if possible, and enroll in an approved deferred compensation plan with City contributions at the same percentage as contributed to PERA. The Administrator shall, in addition to the retirement benefits provided above, be allowed to participate, at Administrator's own expense, in IRS approved deferred compensation plans offered through the City.

As an alternative to the Administrator's participation in the Early Retirement Incentive Program authorized by the City Council in 2023 for those employees retiring on or before May 31, 2024, the City agrees to make a severance payment consistent with the amount the City would have paid under that program, which is equal to \$29,596.00.

Upon retirement, the Administrator will be allowed to continue coverage under the City's health and dental insurance programs, provided insurance is not available due to other employment, until such time as the Administrator is eligible for coverage under Medicare. The Administrator (retired) shall reimburse the City for the entire cost of the health and dental insurance programs.

Section 10. At-Will Employment Relationship. The Administrator will serve at the will of the City and will be subject to retention and/or dismissal at the discretion of the City. The City may cancel this Agreement at any time for any reason or no reason at all. Any of the following shall constitute termination with cause and shall render the Administrator ineligible for the severance payment identified herein:

1. Willful neglect of duty.
2. Gross inefficiency or incompetence in office that you have failed to correct after a reasonable written notice.
3. Malfeasance in office.

Should Administrator be terminated without cause, Administrator shall receive severance from the City equal to four months of salary and benefits.

Should Administrator decide to terminate his employment with the City, Administrator shall provide a minimum of 30 days' notice of the intent to terminate.

Section 11. Term. This Agreement shall be for a term commencing on December 12, 2023, and shall continue through March 29, 2024, unless terminated by one or both of the parties as set forth in this Agreement or extended by mutual agreement of the parties. On October 23, 2023, the Administrator provided his “Notice of Intent to Retire” on or about March 29, 2024.

Section 12. Indemnification. The City shall defend and indemnify the Administrator pursuant to Minnesota Statutes 466.07 and 465.76.

Nothing in this paragraph shall be deemed to be a waiver by the City of any limitations on liability set forth in Minnesota Statutes, Chapter 466.

Section 13. Merger. This Agreement supersedes all prior oral or written communications between the parties.

Section 14. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the employment relationship between the City and the Administrator, replaces all prior agreements or understandings, and the parties agree that there were no inducements or representations leading to the execution of this Agreement except as herein contained.

Section 15. Severability. In case any one or more of the provisions of this Agreement shall be invalid, illegal, or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained in this Agreement will not in any way be affected or impaired thereby.

Section 16. Choice of Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Minnesota. Any disputes, controversies, or claims arising out of this Agreement shall be heard in the state or federal courts of Minnesota, and all parties to this Agreement waive any objection to the jurisdiction of these courts, whether based on convenience or otherwise.

Section 17. Counterparts. This Agreement may be executed simultaneously in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

Section 18. Automobile Monthly Vehicle Allowance. The City agrees to pay to Administrator, during the term of employment under this Agreement and in addition to other salary and benefits herein provided, the sum of \$450 per month, as a vehicle allowance to be used to purchase, lease, or own, operate and maintain a vehicle. Administrator shall be responsible for paying for liability, property damage, and comprehensive insurance coverage upon such vehicle and shall further be responsible for all expenses attendant to the purchase, operation, maintenance, repair, and regular replacement of said vehicle.

Section 19. Cell Phones; City Equipment. Use of cell phones, computers and other City equipment shall be in accordance with applicable City policies.

Section 20. Outside Activities. The employment provided for by this Agreement shall be Administrator's full-time employment. Recognizing that certain outside consulting or teaching opportunities provide indirect benefits to the City and the community, Administrator may elect to accept limited teaching, consulting or other business opportunities with the understanding that such arrangements shall not constitute interference with or be a conflict of interest with his responsibilities under this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the 12th day of December 2023, and dates written below.

FROM: Tim Murray, City Administrator
MEETING DATE: December 12, 2023
SUBJECT: Approve Agreement for Professional Agency Services with the Faribault Area Chamber of Commerce and Tourism

Background:

Minnesota Statutes, Section 469.190 and Article V, Chapter 14, of the City's Code of Ordinances authorizes the imposition of a tax of three percent on the gross receipts from the furnishing of lodging within the city to fund a local convention or tourism bureau for the purpose of marketing and promoting the city as a tourist or convention center. The City has the right to enter into a separate agreement with an agency to provide for the purposes of marketing and promoting the city as a tourist or convention center using lodging tax proceeds. The City has such an agreement with the Faribault Area Chamber of Commerce and Tourism, and wishes to continue with this arrangement.

A new 5-year agreement was drafted and was reviewed with the Council at the November 21, 2023 Work Session. It is very similar to the previous 5-year agreement, but establishes the requirement for the Chamber to have an internal tourism board or committee, which would include one appointed member of the City Council. This provision is being added relative to the elimination of the full Council-appointed Tourism Commission under Ordinance 2023-23. The agreement also corrects the language on the amount of lodging tax funds that are remitted to the Chamber.

- A. Minnesota Statutes, Section 469.190 and Article V, Chapter 14, of the City's Code of Ordinances authorizes the imposition of a tax of three percent on the gross receipts from the furnishing of lodging within the city to fund a local convention or tourism bureau for the purpose of marketing and promoting the city as a tourist or convention center.
- B. The City has the right to enter into a separate agreement with an agency to provide for the purposes of marketing and promoting the city as a tourist or convention center using lodging tax proceeds.
- C. Agency is engaged in the business of providing marketing and promotion professional services.
- D. City requires marketing and promotion professional services assistance in conjunction with the maintenance of the Agency.
- E. City desires to engage Agency to provide the services described in this Agreement and Agency is willing to provide such services on the terms and conditions set forth herein.

AGREEMENT

1. **Services to be Provided.** Agency agrees to provide City with marketing and promotion professional services as set forth in this Agreement and as set forth in the Agency's proposed services attached hereto in Exhibit A ("Scope of Services" or "Services") and/or any obligations within this Agreement or supplemental letter agreements entered into between the City and Agency. The Services and obligations referenced in the attached Exhibit A or any supplemental letter agreements shall be incorporated into this Agreement by reference. All Services and obligations shall be provided in a manner consistent with the level of care and skill ordinarily exercised by professionals currently providing similar marketing and promotion services.

2. **Term.** The term of this Agreement shall be for a five (5) year term (the "Term"), commencing on January 1, 2024 (the "Commencement Date") and shall be subject to review by the City Council at the end of the Term. After the Term, this Agreement shall continue on an annual basis, unless the City and the Agency agree otherwise. Throughout the Term and any annual extension beyond the Term, this Agreement shall be subject to termination by either party pursuant to paragraph 4 below. Following the completion of the Term, this Agreement shall be subject to the review of the City Council every five (5) years.
3. **Consideration,** The consideration, including the lodging tax and other amounts as set forth in this Agreement, which the City shall pay to the Agency for both the Agency personnel and Services performed by Agency and the expenses incurred by the Agency in performing the Services, shall be as set forth in this Agreement. The Scope of Services and the obligations, along with the budget will be agreed upon prior to the commencement of the Services. The City shall make payments to the Agency based upon mutual agreement.
4. **Termination.** Notwithstanding any other provision hereof to the contrary, this Agreement may be terminated as follows:
 - 4.1 The parties, by mutual written agreement, may terminate this Agreement at any time.
 - 4.2 Agency may terminate this Agreement in the event of a breach of the Agreement by the City upon providing one hundred twenty (120) days written notice to the City.
 - 4.3 The City Council may terminate this Agreement at any time for any cause upon written notice to the Agency, or for no reason or cause upon one hundred twenty (120) days written notice to the Agency.
 - 4.4 The City may terminate this Agreement immediately upon the Agency's failure to have in force any insurance required by this Agreement.

Except as provided in paragraph 5 below, in the event of a termination, City shall pay Agency for Services performed to the date of termination and for all equipment costs or other expenses incurred, including contracts with outside agencies, prior to the date of termination.

5. **Remedies.**
 - 5.1 In the event of a termination of this Agreement by City because of a breach by Agency, City may complete the Services either by itself or by contract with other persons or entities, or any combination thereof.

- 5.2 The foregoing remedies provided to City for breach of this Agreement by Agency shall not be exclusive. City shall be entitled to exercise any one or more other legal or equitable remedies available because of Agency's breach.
6. **Records/Inspection.** This Agreement is subject to the requirements of Minnesota Statutes, Section 16C.05, subd. 5. Agency agrees that City or any authorized representatives may have access to and the right to examine, audit, excerpt, and transcribe any books, documents, papers, records, or other materials during normal business hours and as often as deemed necessary. Agency agrees to maintain these materials, records, and documents for six years from the date of the termination of this Agreement.
7. **City and Agency Liaisons.** The City Administrator or their designee shall serve as the liaison and primary contact to the Agency and representative of the City with respect to services rendered pursuant to this Agreement. The City's representative has the authority to instruct, interpret, and define the City's policies with respect to the Services. The Agency shall designate a person or his/her designee to serve as the liaison and primary contact to the City and representative of the Agency with respect to services rendered pursuant to this Agreement. The Agency's representative has the authority to instruct, interpret, and define the Agency's policies with respect to the Services.
8. **Tourism Board.** The Agency shall establish a board ("Tourism Board") of not less than seven (7) voting members to advise the Agency on the use of lodging tax revenues remitted to the Agency. The City Council shall annually appoint a councilmember to serve on the Tourism Board. The remaining members shall be appointed by the Agency to three-year, staggered terms, and shall represent the following or similar sectors of the community:
- (1) One member from the lodging industry;
 - (2) Four (4) members representing community assets (these members may be from the lodging industry, restaurants, attractions, retail, history, arts and culture, community festivals, parks and recreation or an applicant with pertinent marketing or tourism related expertise, or as otherwise determined by the city);
 - (3) One representative from the agency.
- The Tourism Board shall meet a minimum of four (4) times per year at a time and location to be determined by the Agency.
9. **Local Convention and Tourism Bureau.** Sec. 14-94, Article V., Chapter 14 of the Faribault City Code of Ordinances authorizes the City's utilization of the services of a local convention and tourism bureau ("Tourism Bureau") to be administered by the Agency pursuant to this Agreement.
10. **Agency Obligations.** The Agency shall ensure that the following obligations for the City are performed:
- a. Prepare preliminary and final annual budgets, subject to approval by the Tourism Board, and submit to the City in accordance with Paragraph 12;

- b. Prepare an annual report, including an overview of the annual budget, to be presented to the City Council;
 - c. Prepare quarterly reports and submit to the City, which shall include (1) list of bills/expense report, (2) budget to actual statement, and (3) current fund balance;
 - d. Implement and assist in providing direction and oversight of the lodging tax income and expense;
 - e. Establish and implement annual program goals;
 - f. Prepare a tourism marketing strategy that utilizes a multi-faceted approach to attract visitors to the community; and
 - g. Any other matters or obligations as determined by the Tourism Board.
11. **Compensation.** Funding for the Agency and for the marketing and promotional services of the City by the Agency shall be funded from the lodging tax proceeds collected pursuant to Minnesota Statutes, Section 469.190 and Article V, Chapter 14, of the City's Code of Ordinances.
- 11.1 The City will compensate the Agency out of lodging tax dollars for the Services set forth in Exhibit A to this Agreement by remitting 95 percent of lodging tax dollars collected, payable within 30 days following collection by the City from the lodging establishments.
- 11.2 For the specific additional services and duties required to be performed by the Agency and set forth in Exhibit B of this Agreement (the "Additional Services"), the City will compensate the Agency out of lodging tax dollars for the Additional Services by remitting five (5) percent of lodging tax dollars collected, payable within 30 days following collection by the City from the lodging establishments. Said compensation paid to the Agency for the Downtown Visitor Center shall be used solely for subsequent payment to Paradise Center for the Arts and for costs associated with the Downtown Visitor Center located at the Paradise Center for the Arts. Should the Downtown Visitor Center located at the Paradise Center for the Arts discontinue operation or cease to exist at such location, then this Section 11.2 shall become null and void and must be renegotiated by the Agency and the City.
- 11.3 Any revenues generated by the Agency as a result of the contracted Services provided to the City pursuant to this Agreement must be spent by the Agency to market and promote the City as a tourist and convention center.
12. **Annual Budget.** The Agency shall submit a preliminary annual budget for the next calendar year to the City by October 15 of each year. The Agency shall submit the final budget for the next calendar year to the City Council by November 30 of each year. The final budget shall identify the uses for the requested funds out of the lodging tax proceeds. The annual budget shall be audited on a biannual basis using an agreed-upon procedure approved by the city administrator. The cost of the audit shall be paid for by the agency. The City authorizes the Agency to cash flow the activities contemplated by this Agreement without any additional expense to the City.

13. **Quarterly Financials.** The Agency shall provide the members of the Tourism Board with financial statements prepared no less often than quarterly prior to conducting their meetings. The financial statements shall show (a) list of bills/expense report, (b) budget to actual statement, and (c) current fund balance.
14. **Indemnification.** To the fullest extent permitted by law, the Agency, and the Agency's successors or assigns, agree to protect, defend, save, and hold harmless the City, its officers, agents, and employees from all claims, suits, or actions of any kind, nature, or character, and the costs, disbursements, and expenses of defending the same, including but not limited to, attorneys' fees, consulting marketing and promotion services, and other technical, administrative or professional assistance resulting from or arising out of the negligence, breach of contract or willful misconduct of Agency or its subcontractors, agents, or employees under this Agreement. Nothing in this Agreement shall constitute a waiver or limitation of any immunity or limitation on liability to which the City is entitled
15. **Insurance and Bonds.** The Agency will maintain at the Agency's sole expense, insurance coverage for itself, including the following: Workers Compensation, General Liability, and Directors and Officers Liability in an amount of not less than \$1 million per occurrence (except only statutory limits for workers compensation coverage) and at least \$2 million aggregate coverage and an umbrella policy with limits of at least \$1 million, and will provide information as to specific limits upon receipt of signed Agreement. Such insurance must cover all losses related to this Agreement. The Agency shall provide City with a current certificate(s) of liability insurance for all insurance coverage referenced above. Such certificate(s) of General Liability insurance shall list the City as an additional insured and all certificate(s) of liability insurance shall contain a statement that such policies of insurance shall not be canceled or amended unless sixty (60) days written notice is provided to the City (ten (10) days written notice in the event of non-payment of premium). Acceptance of a certificate of insurance that does not comply with these requirements does not operate as a waiver of the Agency's or any other party's obligations hereunder. In addition, the Agency shall cause all vendors and participants to maintain insurance coverage for all vendors and participants at tourism-related events conducted pursuant to this Agreement.

In addition to the insurance requirements set forth above, the Agency shall obtain a fidelity bond in the minimum amount of \$100,000 covering the person or persons on a position or name-scheduled basis that handles any money pursuant to this Agreement. The amount of such bond shall be reviewed annually and modified to be consistent with the lodging tax dollars paid to the Agency pursuant to this Agreement.

16. **Subcontracting; Assignment.** The Agency shall not subcontract or assign, sublet, or transfer any rights under or interest (including, but without limitation, moneys that may become due or moneys that are due) in the Agreement without the prior written consent of the City. Any assignment in violation of this provision is null and void. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.

17. **Independent Contractor.** Agency shall be deemed an independent contractor. Agency's duties will be performed with the understanding that Agency has special expertise as to the services, which Agency is to perform and is customarily engaged in the independent performance of the same or similar services for others. The manner in which the services are performed shall be controlled by Agency; however, the Agency shall take the recommendations from the Tourism Board into consideration on the nature of the services and the results to be achieved. The Agency is not to be deemed an employee or agent of the City and has no authority to make any binding commitments or obligations on behalf of the City except to the extent expressly provided herein. All services provided by the Agency pursuant to this Agreement shall be provided by the Agency as an independent contractor and not as an employee of the City for any purpose, including but not limited to: income tax withholding, workers compensation, unemployment compensation, FICA taxes, liability for torts and eligibility for employee benefits.
18. **Compliance with Laws.** Agency shall exercise due professional care to comply with applicable federal, state and local laws, rules, ordinances and regulations in effect as of the date Agency agrees to provide the applicable services detailed in Exhibit A or any supplemental letter agreement.
19. **Notices.** Any notices permitted or required by this Agreement shall be deemed given when personally delivered or upon deposit in the United States mail, postage fully prepaid, certified, return receipt requested, addressed to:
- Agency: Faribault Area Chamber of Commerce and Tourism, Inc.
Attn: President/CEO
530 Wilson Avenue
Faribault, MN 55021
- City: City of Faribault
Attn: City Administrator
208 1st Avenue NW
Faribault, MN 55021
- or such other address as either party may provide to the other by notice given in accordance with this provision.
20. **Attorney Fees.** In the event of any action to enforce or interpret this Agreement, the prevailing party shall be entitled to recover from the losing party reasonable attorney fees incurred in the proceeding, as set by the court, at trial, on appeal or upon review.
21. **Entire Agreement; Amendments.** This Agreement, any attached exhibits and any addenda or amendments signed by the parties shall constitute the entire agreement between the City and the Agency, and supersedes any other written or oral agreements between the City and the Agency. This Agreement can only be modified or amended in writing signed by the City and the Agency.

22. **Third Party Rights.** The parties to this Agreement do not intend to confer on any third party any rights under this Agreement.
23. **Choice of Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the state of Minnesota. Any disputes, controversies, or claims arising out of this Agreement shall be heard in the state or federal court of Minnesota, and all parties to this Agreement waive any objection to the jurisdiction of these courts, whether based on convenience or otherwise.
24. **Conflict of Interest.** In the execution of services outlined in this Agreement, the Agency shall equally promote and market all tourism sectors of the City; preferential treatment for certain tourism sectors or subsets is prohibited. The Agency shall use reasonable care to avoid conflicts of interest and appearances of impropriety in providing its marketing and promotion services for the City. In the event of a conflict of interest, Agency shall advise the City and either secure a waiver of the conflict or advise the City that it will be unable to provide requested marketing and promotion services. It is the intent of the Agency to refrain from handling marketing and promotion matters for any other person or entity that may pose a conflict of interest.
25. **Work Products and Ownership of Documents.** All records, information, materials and other work products, including, but not limited to the completed reports, drawings, plans, and specifications prepared and developed in connection with the provision of services pursuant to this Agreement shall become the property of the City, but reproductions of such records, information, materials and other work products in whole or in part may be retained by the Agency.
26. **Agreement Not Exclusive.** The City retains the right to hire other marketing and promotion professionals for other matters, in the City's sole discretion.
27. **Data Practices Act Compliance.** Any and all data provided to the Agency, received from the Agency, created, collected, received, stored, used, maintained, or disseminated by the Agency pursuant to this Agreement shall be administered in accordance with, and is subject to the requirements of the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13, and specifically Section 13.495. This paragraph does not create a duty on the part of the Agency to provide access to public data to the public if the public data are available from the City, except as required by the terms of this Agreement.
28. **No Discrimination.** Agency agrees not to discriminate in providing products and services under this Agreement on the basis of race, color, sex, creed, national origin, disability, age, sexual orientation, status with regard to public assistance, or religion. Violation of any part of this provision may lead to immediate termination of this Agreement.
29. **Survivability.** All covenants, indemnities, guarantees, releases, representations, and warranties of either party or the parties and any undischarged obligations of the parties arising prior to the expiration or termination of this Agreement, shall survive such

expiration or termination.

30. **Severability.** The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision. Any invalid or unenforceable provision shall be deemed severed from this Agreement to the extent of its invalidity or unenforceability, and this Agreement shall be construed and enforced as if the Agreement did not contain that particular provision to the extent of its invalidity or unenforceability.

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Travis Block, Public Works Director
MEETING DATE: December 12, 2023
SUBJECT: Approve Hangar Rental Agreement

Background:

The City has received a Hangar Rental Agreement from Jon Buraceski to fill vacant hangar #134. A new hangar agreement is required for hangar #134. The hangar agreement has a term of one year with an expiration in 2024.

Recommendation:

Approve Hangar Rental Agreement

Attachments:

1. Hangar Rental Agreement - 134

HANGAR RENTAL AGREEMENT

In consideration of the provisions of this agreement, the City grants to the occupant, and the occupant accepts and takes the right to occupy and use a hangar space located at the Faribault Municipal Airport for aircraft storage. The right to occupy and use hangar space is subject to the terms and conditions of the provisions in this agreement.

This hangar rental agreement is made on: December 6, 2023

by and between the City of Faribault, a municipal corporation (the “City”) and the occupant set forth in Section 1 of this agreement (the “Occupant”);

SECTION 1 – OCCUPANT

1.1 Occupant Name: John S. Buraceski
Occupant Address: 4801 Nerstrand Blvd
 Faribault, MN 55021
Phone: 860-202-0498
E-Mail: jburaceski@sbcglobal.net
Aircraft Registration No. N797WD

Referred to as the “Occupant” in this document.

- 1.2 Registered Aircraft Owner/Lessee. The occupant must be a registered aircraft owner or lessee. The occupant must provide the City with a copy of aircraft registration and/or aircraft lease. These documents must be on file with the City prior to occupying a hangar. The occupant must inform the City of any changes in their status as to ownership or lease of an aircraft. From time to time, the City may require occupants to provide copies of their most recent aircraft registration.
- 1.3 Grace Period for Providing Registration/Lease Documentation. An existing hangar occupant must retain a valid aircraft registration or lease document to maintain possession of the hangar. There is an automatic sixty-day grace period for existing occupants to provide current aircraft registration or lease documents to the City. The City may, at its option, grant an additional sixty-day grace period to an existing occupant, if an existing occupant makes a written request and the City approves the request.

SECTION 2 – HANGAR

- 2.1 Hangar. This agreement is for Hangar #134, in Building 3 as identified on the map maintained by the City of Faribault Public Works Department.

- 2.2 Use of Hangar. The occupant has the right and privilege to use the hangar to store aircraft during the term of this agreement. The occupant's rights and privileges to use the hangar only pertain to aircraft storage and to no other purpose without the prior written consent of the City, except that other item's incident to the use of an aircraft may be stored therein.

It is the intention that the hangar leased pursuant to this agreement shall not be used for commercial purposes. Storage of an airplane owned by, or used in a business, where such use is incidental to the business, shall not be deemed commercial use of the hangar. The occupant may service and maintain occupant's aircraft, but may not service aircraft owned by others in the rented hangar space.

- 2.3 Hangar Door to be Closed. The occupant is responsible for ensuring the hangar door is closed at all times, except when entering or exiting the hangar. The occupant is responsible for, and holds the City harmless from, any damage or destruction to the door or to the hangar attributable to or caused wholly or partly by the occupant's failure to comply with this provision.
- 2.4 Condition of the Hangar. The occupant accepts the hangar in the condition existing on the date of this agreement. The City has no obligation to make any alteration, addition or improvement to the hangar.
- 2.5 Maintenance of the Hangar. The occupant, at occupant's own expense, must maintain the hangar in a safe, non-hazardous, neat, clean, and sanitary condition. No explosive, flammable or hazardous materials shall be stored in the leased hangar, provided, however, that materials incidental to the use and maintenance of the aircraft stored in the hangar may be kept in the hangar in such amounts as are reasonable for the above described purposes. Storage and use of such materials shall, at all times, comply with all federal, state and local laws, ordinances and regulations. Improper handling or disposal of hazardous materials shall be grounds for termination of this agreement.

The city, or its agent, will provide snow removal services to the area of the leased hangar and taxi-ways as close to the leased hangar entrance as possible, but the occupant will be primarily responsible for removal of snow and ice immediately in front of the leased premises.

The occupant is to report any maintenance concerns to the Airport Manager/FBO. If the manager is not available, occupant is to contact: Public Works Department, City of Faribault, 1200 Belview Trail, Faribault, MN 55021, (507) 333-0361, or to another address or telephone number as may be assigned to the responsible department of the City.

- 2.6 Fixtures; Improvements. The occupant cannot attach or install any fixture in the hangar, nor can the occupant repair, reconstruct, enlarge, add to or alter the hangar or any part of the hangar, without prior written consent of the City. Any fixtures or improvements added will be at the occupant's sole expense.

- 2.7 Ownership. The hangar, and all structural repairs, improvements, alterations, or additions made by the occupant, and any fixtures permanently attached to the hangar during the term of this agreement, become and remain the property of the City.

SECTION 3 – PAYMENTS, OTHER OCCUPANT RESPONSIBILITIES

- 3.1 Term. This agreement takes effect on the date hereof, and expires on December 31, 2024. This agreement will automatically renew on a month by month basis, beginning on the first day of month following the expiration date of this agreement, or on other date as described in this agreement. The agreement automatically renews for an unlimited number of additional one-month terms until the agreement is terminated for any of the reasons described in the termination section of this agreement. An additional monthly fee (as provided for in the City's adopted fee schedule) will be assessed after the expiration of this agreement, and until a new agreement is signed.
- 3.2 Payments. The occupant must pay the amount identified in the City's fee schedule to the City on or before the first day of each month. The City Council reviews, revises and adopts the fee schedule annually. So long as payments are received in a timely manner, this agreement will remain in effect. Payments are to be made at the time and place indicated on the monthly billing. Correspondence can be sent to: Public Works Department, City of Faribault, 208 NW 1st Ave, Faribault, MN 55021, and (507) 333-0361. Occupants are responsible for informing the City of any changes in billing address.
- 3.3 Utilities. No utilities may be connected to a hangar, other than electricity provided by the City, unless prior written consent is received from the City. In the case of additional permitted utilities, the occupant is responsible for promptly paying all charges for using utilities. Utilities include, but are not limited to: water, gas, electricity, telephone, rubbish removal, or any other utility used or consumed in connection with or in the hangar during the term of this agreement. The occupant must be able to, within a reasonable time after a request by the City, provide proof of utility payments to the City.
- 3.4 Taxes. Should a determination be made that the interest of the occupant in this agreement is taxable in any way, and should any tax be levied, the occupant is responsible for promptly paying the tax when due. The occupant must be able to, within a reasonable time after a request by the City, provide proof of tax payments to the City.
- 3.5 Mortgages; Assignment. The occupant cannot mortgage, encumber, assign as security, transfer, assign, or sublet their interest in this agreement, in whole or in part, without receiving prior written consent from the City. Violations of this provision will terminate this agreement.

SECTION 4 – CITY OF FARIBAULT RIGHTS, RESPONSIBILITIES

- 4.1 Inspection. The occupant must allow the City access to the hangar, for the purpose of conducting inspections of the hangar to determine whether the occupant is complying with the provisions of this agreement. The occupant may be a party to the compliance inspection; however, the City is not required to notify the occupant nor make any accommodation to the occupant before conducting compliance inspections.
- 4.2 Maintenance. The occupant must allow the City access to the hangar, for the purpose of conducting maintenance on the hangar. The occupant may be a party to access for maintenance purposes; however, the City is not required to notify the occupant of its intent to conduct maintenance.
- 4.3 Access to Aircraft. The City of Faribault will not operate, move, or otherwise change the position of any aircraft. The Fixed Base Operator, or occupant will be contacted to operate, move, or otherwise change the position of any aircraft, if such action is necessary for inspection or maintenance in a hangar. During periods of maintenance and/or inspection of hangars, should the aircraft need to be tied down on the apron, any fees that are or may be in place will be waived.
- 4.4 Residential Through the Fence Access. The City of Faribault will not permit or enter into any arrangements that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport.

SECTION 5 – TERMINATION PROVISIONS

- 5.1 Termination. Either party to this agreement may, at any time and for any reason, terminate this agreement upon thirty days advance written notice to the other party. Billing for final payment will include the last full month (including periods of more than fifteen days).
- 5.2 Default. In the event the occupant defaults in the performance of any provisions of this agreement and the default continues for a period of twenty days after service of written notice of the default by the City on the occupant, the City may repossess the hangar or any portion of it with or without terminating this agreement. Any such action by the City is done without prejudice to any other remedy for any payments due the City or other breach of agreement provision. In the case of default by the occupant, the City may, at its option, terminate this agreement by giving written notice of the termination. The rights and remedies given to the City are deemed to be cumulative, and the exercise of one cannot be deemed to be an election by the City to exclude the exercise of any other right or remedy at a different time.

- 5.3 Destruction. In the event the hangar is destroyed by any cause, whether natural or man-made, or is rendered unusable for any reason (as determined by the City), this agreement immediately and without further action terminates. In such an event, the occupant is to surrender possession of the hangar to the City. The City is to refund any amounts paid by the occupant as consideration, for the month in which such destruction occurs. The refund is to be equal to the proportion of the number of days in the month following the destruction to the number of days in the month.
- 5.4 Notice of Vacation. Prior to vacating the hangar for any reason, the occupant is to deliver to the City a notice of their intent to vacate the hangar. The occupant understands and agrees that up to five days before vacating the hangar and up to three days after vacating the hangar, the City may conduct vacation inspections to determine whether the occupant has complied with the provisions of this agreement. The occupant may be a party to the vacation inspection; however, the City is not required to make unreasonable accommodations in order to allow the occupant to be present at vacation inspections.
- 5.5 Removal of Items. The occupant cannot, under any circumstances, remove any property belonging to the City, including fixtures attached to and made part of the hangar, from the hangar.
- 5.6 Surrender of Possession. The occupant must peaceably vacate and quietly yield and surrender the hangar upon termination of this agreement. The occupant must surrender the hangar to the City in as good condition and repair as existed the date the occupant began using the hangar, with reasonable wear and tear excepted. Keys issued, as well as any copies that may have been made, must be given to the City upon termination.

SECTION 6 – OTHER PROVISIONS

6.1 Liability provisions; Indemnification; Insurance:

Notwithstanding anything to the contrary in this agreement, the City, its officers, agents, and employees shall not be liable or responsible in any manner to the occupant, occupant's successors or assigns, the occupant's contractor or subcontractors, material suppliers, laborers, or to any other person or persons for any claim, demand, damage, or cause of action of any kind or character arising out of or by reason of the execution of this agreement or the performance of this agreement, nor will the occupant make any claim against the City for or on account of any injury, loss or damage resulting from the occupant's property or use thereof. The occupant, and the occupant's successors or assigns, agree to protect, defend and save the City, and its officers, agents, and employees, harmless from all such claims, demands, damages, and causes of action and the costs, disbursements, and expenses of defending the same, including but not limited to, attorneys fees, consulting services, and other technical, administrative or professional assistance. Nothing in this agreement shall constitute a waiver or limitation of any immunity or limitation on liability to which the City is entitled under Minnesota Statutes, Chapter 466 or otherwise.

The occupant shall obtain and keep current a liability insurance policy in at least the sum of \$1,500,000 (aggregate, \$500,000 each person) coverage. The occupant shall during the term of this agreement adequately insure against any loss or damage to the hangar premise in the amount required by the City in its sole discretion. The occupant's policy shall include the City as an additional insured, shall be in a form acceptable to the City and shall provide insurance with respect to occupant's full indemnification and defense responsibilities contained in this agreement. All required insurance policies shall insure on an occurrence and not a claims-made basis, shall be issued by insurance companies which are reasonably acceptable to the City, and shall not be cancelable, reduced or materially changed unless thirty (30) days prior written notice shall have been given to the City. The occupant shall provide the City with a current certificate of liability insurance consistent with these requirements.

The occupant shall meet, and provide upon request verification of, all licensure requirements of the City of Faribault, State of Minnesota and/or the United States Government to legally comply with this agreement.

- 6.2 Transferring, subletting, selling: The occupant shall not assign, transfer, sublet or sell any interest in this agreement or in the improvements located on the property. Upon termination of this agreement by either party under the provisions of this agreement, the hangar will be made available for rent to interested parties on the waiting list maintained by the Airport Manager. No exceptions to this provision shall be permitted without prior written consent of the City. Failure to obtain prior written consent before assigning, subletting, or selling any interest in this agreement or in the improvements located on this property shall be sufficient grounds for terminating this agreement without obligation of the City to the occupant.
- 6.3 Use of Airport Facilities. The occupant has the privilege of using the public portions of the airport. Use of the airport is under the rules and conditions as now exist or may be enacted in the future by the City, the State of Minnesota, or the United State government. The occupant is subject to customary charges for such use as may be established from time to time by the City.
- 6.4 Compliance with Laws. The occupant agrees to abide by and conform to all laws, rules, and regulations, including future amendments, controlling or affecting the use or occupancy of the hangar.
- 6.5 Discrimination. The occupant, in the use of the Faribault Municipal Airport or any facilities, including the hangar, at the Airport, shall not discriminate or permit discrimination against any person or group of persons on the grounds of race, color or national origin or in any manner prohibited by Part 21 of the Regulations of the Office of the United States Secretary of Transportation. The occupant further agrees to comply with any requirement made to enforce such regulation which may demanded of the City by the United States government under authority of said Part 21.

6.6 Civil Rights: Occupant agrees that it will comply with applicable laws, statutes and rules that are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from federal assistance. This provision obligates occupant or its transferee for the period during which federal assistance is extended to the airport, except where federal assistance is to provide, or is in form of personal property or real property or interest therein or structures or improvements thereon. In these cases, the provision obligates the party or any transferee for the longer of the following periods: (1) the period during which the property is used by the sponsor or any transferee for a purpose for which federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or (2) the period during which the airport sponsor or any transferee retains ownership or possession of the property.

6.7 General Provisions:

a. Airport Access

Occupant has the privilege of using the public portions of the airport, such as runways and other public facilities, under such terms, ordinances, rules and regulations as now exist or may be enacted by City, and subject to charges for such use as may be established by City, by ordinance or agreement with occupant.

b. Waiver

The waiver by City or occupant of any breach of any term of this agreement shall not be deemed a waiver of any prior or subsequent breach of the same term or any other term of this agreement.

c. Headings

The headings in this agreement are for convenience in reference and are not intended to define or limit the scope of any provision of this agreement.

d. Entire Agreement; Amendments

This agreement represents the entire agreement between the parties and supersedes any prior agreements regarding the premises. This agreement may only be amended or modified if done in writing and executed by all parties to this agreement.

e. Severability

If any part of this agreement shall be held invalid, it shall not affect the validity of the remaining parts of this agreement, provided that such invalidity does not materially prejudice either party under the remaining parts of this agreement.

f. Choice of Law and Venue

This agreement shall be governed by and construed in accordance with the laws of the State of Minnesota. Any disputes, controversies, or claims arising out of this agreement shall be heard in the state or federal courts of Minnesota, and all parties to this agreement waive any objection to the jurisdiction of these courts, whether based on convenience or otherwise.

g. Public Data

City shall use reasonable care to treat matters pertaining to occupant in a confidential manner to the extent permitted by law. This agreement, and the information related to it, are subject to the Minnesota Government Data Practices Act, which presumes that data collected by City is public data unless classified otherwise by law.

h. Commitments to Federal and State Agencies

Nothing in this agreement shall be construed to prevent City from making such commitments as it desires to the Federal Government or the State of Minnesota in order to qualify for the expenditure of Federal or State funds on the airport.

i. Successors

This agreement shall extend to bring the legal representatives, successors and assigns of the parties to this agreement.

j. Relationship of Parties

Nothing contained in this agreement shall be deemed to create a partnership, association or joint venture between City and occupant, or to create any other relationship between the parties other than that of landlord and occupant.

k. Multiple Parties

If more than one person or entity is named as the occupant, the obligations of the occupant shall be the joint and several responsibilities of all persons or entities named as occupant.

l. Consent and Approvals

Whenever in this agreement the consent or approval of City is required, such phrase means the formal approval or consent of City through a meeting of the Faribault City Council. When the consent or approval of City's staff is required,

such phrase means the consent or approval from the appropriate employee or agent of City.

m. Notice

Any notice required under this agreement shall be in writing and delivered in person or by courier or mailed by certified mail, return receipt requested by United States Mail, postage prepaid addressed as follows:

If to the City: City of Faribault
 Department of Public Works
 1200 Belview Trail
 Faribault, MN 55021

If to the occupant: John S. Buraceski
 4801 Nerstrand Blvd
 Faribault, MN 55021

Notice is deemed given (i) two business days after being deposited in the mail, whether or not the notice is accepted by the named recipient, or (ii) if delivered by any other means, the date such notice is actually received by the named recipient. Either party may change the party's address for notice by providing written notice to the other party.

This agreement takes effect when it has been approved by the City Council of the City of Faribault or City Council's designated officer, is signed by occupant, and is accompanied by payment of one month's charges and other information, as provided in the agreement.

All of which are to be built in accordance with the specifications, clarifications and exceptions attached, and which are made a part of this agreement and contract.

DELIVERY:

The estimated delivery time for the completed apparatus, is to be made 660 days after receipt of and approval of this contract duly executed and approved production ready specifications are released, (chassis and (or) major components must arrive within 200 days or delivery may be extended), subject to all causes beyond the Company's control. The quoted delivery time is based upon our receipt of the specified materials required to produce the apparatus in a timely manner. "Delivery" means the date company is prepared to make physical possession of vehicle available to customer.

CONTRACT CHANGES:

After execution and acceptance of this Contract, the Buyer may request that the Company incorporate a change to the Products or the Specifications for the Products by delivering a Change Order to the Company; provided, however, that any such Change Order must be in writing and include a description of the proposed change sufficient to permit the Company to evaluate the feasibility of such Change Order. Within seven (7) working days of receipt of a Change Order, the Company will inform the Buyer in writing of the feasibility of the Change Order, the earliest possible implementation date for the Change Order, of any increase or decrease in the Purchase Price resulting from such Change Order, and of any effect on production scheduling or delivery resulting from such Change Order. The Company shall not be liable to the Buyer for any delay in performance or delivery arising from any such Change Order. Purchase Price may be modified only by mutual written agreement of the Parties because of changes to the Apparatus required or requested by the Buyer during the construction process pursuant to Appendix C, Change Order Policy. Any changes in the Purchase Price resulting from changes to the Apparatus required or requested by the Buyer during the construction process shall be stated in the Change Order signed by both parties. Additional Changes: If various state or federal regulatory agencies (e.g. NFPA, DOT, EPA) require changes to the specification and/or the product that result in a cost increase to comply therewith this cost will be added to the Purchase Price to be paid by the customer.

FORCE MAJEURE:

The Company shall not be responsible nor deemed to be in default on account of delays in performance due to causes which are beyond the Company's control which make the Company's performance impracticable, including but not limited to civil wars, insurrections, strikes, riots, fires, storms, floods, other acts of nature, explosions, earthquakes, accidents, any act of government, delays in transportation, inability to obtain necessary labor supplies or manufacturing facilities, allocation regulations or orders affecting materials, equipment, facilities or completed products, failure to obtain any required license or certificates, acts of God or the public enemy or terrorism, failure of transportation, epidemics, quarantine restrictions, failure of vendors (due to causes similar to those within the scope of this clause) to perform their contracts or labor troubles causing cessation, slowdown, or interruption of work.

APPENDIX C

CHANGE ORDER POLICY

This change order policy is intended to reflect the increased cost of changes which result in delayed deliveries, confused paperwork, poor production flow and increased potential of trucks being built to incorrect specifications. With your cooperation, changes can be kept to a minimum which means we will be able to reduce lead times, increase production and maintain costs which will benefit all of us.

Our objective is accurate, high quality and on-time deliveries exceeding our customer expectations.

Changes any time after the order is received may delay the quoted delivery date. Significant design or component changes will have the largest impact on the schedule and quoted delivery date. Changes that occur later in the process will also have the largest impact on the schedule and quoted delivery date.

All time fences are referenced to contract execution date if not otherwise stated.

Change Window #1

All changes will be priced at standard pricing and specials will be priced through our normal process. Significant changes made to the vehicle during this time period may result in a delivery extension.

RBM Chassis	0-60 days
RBA Aerial	0-60 days
Rosenbauer Body	0-60 days

Change Window #2

All changes are subject to a 25% mark-up. All changes are subject to factory review and may be denied due to engineering or lead time issues.

RBM Chassis	61-75 days
RBA Aerial	61-75 days
Rosenbauer Body	61-120 days

Change Window #3

All changes are subject to a 50% mark-up, and 50% restocking fee on deleted items. All changes are subject to factory review and may be denied due to engineering or lead time issues. No major components can be changed at this time; major components are considered engine, transmission, axles, suspension, cab, frame (wheelbase), seats, water pump and water tank.

RBM Chassis	76-120 days
RBA Aerial	76-120 days
Rosenbauer Body	121-180 days

Change Window #4

Changes are not recommended at this time. Any changes requested will be priced on a time and material basis. Any changes requested, and that are quoted to the customer, must be approved by the customer within three days or they will not be valid.

RBM Chassis	After 120 days
RBA Aerial	After 120 days
Rosenbauer Body	After 180 days

**Note: Any late change orders that are factory driven will be done at cost and no additional mark up or penalties will apply.*

SURCHARGE NOTICE

COVID-19 has caused extreme volatility in the global manufacturing supply chain. Inflationary pressures continue including raw materials, purchased parts, direct labor, and other firetruck components. In the event your truck order is affected by a surcharge, Rosenbauer America will provide an updated price quote. At that time, you have the option to continue with your truck purchase including the surcharge.

THE FEDERAL GOVERNMENT

The Federal Government is the central authority of the United States. It is responsible for the defense, foreign relations, and the general welfare of the country. The Federal Government is composed of three branches: the Executive, the Legislative, and the Judicial. The Executive branch is headed by the President, who is elected by the people. The Legislative branch is composed of the House of Representatives and the Senate, which are elected by the people. The Judicial branch is headed by the Supreme Court, which is appointed by the President and confirmed by the Senate. The Federal Government is responsible for the enforcement of the laws of the United States and the protection of the rights of its citizens. It is also responsible for the management of the country's resources and the promotion of the general welfare of the nation.

Request for Council Action

TO: Mayor and City Council
THROUGH: Tim Murray, City Administrator
FROM: Jeanne Schmuck, Finance Director
MEETING DATE: December 12, 2023
SUBJECT: Approval of the 2024 Budget, Tax Levies, CIP, Fee Schedule, and Franchise Fee Distribution

Background:

The City Council must formally approve the final 2024 Budget, Tax Levy, Capital Improvement Plan and the Fee Schedule. This memo is written to cover items 6A, 1 through 7 on the agenda.

Several budget work sessions were held to discuss these items and the final documents are being presented to the Council for approval. The Council must provide an opportunity for any member of the public to comment or provide input regarding the 2024 budget and tax levy. The final budget can be approved at the same meeting that the budget is available for public comment.

The CIP is part of the overall budget appropriation process and provides detailed information for all capital expenditures for the 2024 fiscal year. This document outlines capital purchases and projects anticipated for the next 5-year period. It is a working document that is reviewed and adjusted on an annual basis.

The 2024 Fee Schedule provides license fees, charges for multiple services offered by the City, and utility rates. Franchise Fees are distributed into multiple funds and the 2024 amounts are included for Council approval.

Recommendation:

Adopt the following resolutions:

- Resolution 2023-234 Adopt 2024 Property Tax Levy
- Resolution 2023-235 Adopt 2024 Budget & Fund Appropriations
- Resolution 2023-236 Adopt 2024 HRA Property Tax Levy
- Resolution 2023-237 Adopt 2024 EDA Property Tax Levy
- Resolution 2023-238 Adoption of 2024 Fee Schedule
- Resolution 2023-239 Approve 2024-2028 Capital Improvement Plan

- Resolution 2023-240 Approve 2024 Franchise Fees Distribution

FARIBAUT COMMUNITY VISION

SMALL TOWN PRIDE. BIG CITY OPPORTUNITY.

Faribault is one of America's best small communities.

*A place where all people find opportunities to succeed, grow, and prosper.
We celebrate our unique strengths in education, business, industry, medical,
nature, recreation, leisure, and the arts – and we are proud of our historic
downtown and iconic institutions.*

*As a community we embrace the future and plan for positive change through our
commitment to innovation and excellence, making
Faribault an outstanding place to live, work, grow, invest, and visit.*

COMMUNITY VALUES

SENSE OF COMMUNITY

We value a strong sense of community and belonging. We believe in being a friendly, respectful, safe, inclusive, and welcoming community that celebrates strong connections among all people.

Faribault will be a community that residents from a wide range of backgrounds, ages and cultures call home. We will strive to provide a friendly, respectful, and inclusive environment that creates a strong sense of unity and togetherness. People will come to Faribault and stay in Faribault.

SENSE OF PLACE

We value and respect our historic character, iconic institutions, rich traditions, and natural amenities that give Faribault its unique sense of place.

Faribault will be a community known for its unique and iconic surroundings. In 25 years, we will have continued to cultivate our rich history through preservation of our distinctive buildings, our downtown, our institutions, and cultural traditions. We will also enhance our unique natural amenities to attract and retain our distinctiveness.

OPPORTUNITY

We value the opportunities that all people have for growth and enrichment in our community, including opportunities for high-quality education, decent jobs, good housing, quality healthcare, and access to nature, leisure, and the arts.

In 25 years, Faribault will have a diversified economy that provides residents with expanded opportunities to work and to meet their personal, educational, recreational, and cultural needs. A mix of industrial, commercial, and retail redevelopment will provide the tax base needed to support high quality services and amenities.

INNOVATION

We value and encourage creativity, flexibility, and openness to new ideas and positive change in all sectors of our community, including business, industry, education, and government.

Faribault will be known for its creativity, thought, and leadership in business, education, and government. We will foster a culture where new ideas can flourish, and will regularly demonstrate our innovative spirit through advances in our educational sector, unique new businesses, and our cutting edge government service.

EXCELLENCE

We value excellence and strive for it in everything we do. We believe if it is worth doing, it is worth doing to the best of our ability.

Faribault will be a community known for its commitment to excellence. We will demonstrate in all sectors of our community the attention to detail and quality necessary to achieve great outcomes and a highly livable and thriving community.

Mayor Voracek and
Members of the City Council

Dear Mayor and City Council:

2024 BUDGET OVERVIEW

The budget summaries enclosed within this document include budgets for the General Fund, Special Revenue Funds, Debt Service Funds, Capital Projects Funds, Enterprise Funds, and Internal Services Funds for the City of Faribault. The Council held several budget work sessions over the past several months to discuss 2024 budget priorities.

The 2024 budget includes a net tax levy certification for taxes payable in 2024 in the amount of \$12,032,605. This amount is an increase of \$848,273 over last year's certified net tax levy which equates to a 7.58% increase in the tax levy (of which approximately 13.85% is absorbed by new construction and growth). The 2024 levy is estimated to result in a decrease for the average homeowners' taxes in 2024 of \$16.21 (for no change in assessed value). The median residential property value is estimated at \$225,100. The City's tax base value is expected to increase approximately 9.38% which indicates positive economic growth of the City. This would equate to a decrease in the estimated City Tax Rate from 47.444 to 46.666 which is a decrease of 0.778 or 1.64% in the estimated tax rate.

The Faribault HRA's tax levy for taxes payable in 2024 is \$380,253 which is an increase of \$51,403 or 15.63%. The Economic Development Authority's tax levy for taxes payable in 2024 is \$372,648 which is an increase of \$50,375 or 15.63%.

General Fund

GENERAL FUND REVENUES

The General Fund reflects a projected revenue stream of \$20,874,705 which reflects an increase of \$1,267,485 or 6.46% over the projected 2023 revenue stream. The 2024 General Fund Budget is funded primarily from ad valorem taxes (property taxes in proportion to the value) and Local Government Aid (LGA). The budgeted amount for LGA increased by \$869,384, to \$6,972,221 from \$6,102,837 in the 2023 budget.

The following chart shows the General Fund revenue amounts by category, as a percentage of total revenue.

GENERAL FUND EXPENDITURES

The General Fund operating expenditures are expected to increase by \$1,245,733 (6.35%) in 2024 to \$20,874,705. The majority of the increase is based on personnel costs associated with cost of living adjustments and health insurance premium increases. The amount required for funding COLA and benefits for personnel changes is estimated at approximately \$689,373 within the General Fund. An increase in both Library and Park & Recreation part-time and seasonal staff are included in the 2024 increase. A new full-time fire fighter position is being also included but will be funded in 2024 & 2025 with the Public Safety Aid allocated to the City from the State in the 2023 budget.

The following chart shows the General Fund Expenditures by Function. Public Safety accounts for the largest portion of the budget or 45.58%, having a \$569,208 increase. Culture and Recreation is now 22.9% of the General Fund budget which includes a 3.95% increase, or \$181,789. Public Works is 15.30% of the General Funds budget, with an increase of \$131,033 in the 2024 budget.

Special Revenue Funds

Special Revenue Funds include City, Housing and Rehabilitation Authority (HRA), and Economic Development Authority (EDA) funds. City special revenue funds include Charitable Gambling, Public Safety Programs, Airport, Library Donations, City Rental Property, Community and Economic Development Administration, Rental Housing Rehabilitation, and SCDP Revolving Loan funds. The HRA special revenue funds include the HRA, Public Housing, and CRV Rehabilitation Program funds. The EDA special revenue funds include Industrial Development Revolving Loan, Federal Investment Revolving Loan, Minnesota Investment Revolving Loan, EDA, and EDA Revolving Loan funds along with several Tax Increment funds. The budgets for the majority of these funds remain stable. The Community and Economic Development Administration fund will receive property tax revenue in 2024 in the amount of \$66,149 to supplement program revenues and provide additional operating revenue. Tax abatements are also supported with property tax revenue of \$409,651. The general property tax levy support for Community and Economic Development Administration is being phased out over the next year. Community and Economic Development Administration has made some significant changes with administration of Public Housing and Robinwood Manor.

Debt Service Funds

Debt Service Funds are established to account for the collection of ad valorem taxes and special assessments and the payment of principal and interest of general long-term debt. The tax levy for debt service for taxes payable in 2024 decreased by \$58,694 due to defeasance of debt.

Capital Project Funds

Capital Project Funds include the Street Improvement Projects Fund, Park Improvement Fund, Capital Replacement Fund, and Facility Maintenance Fund. Budgeted expenditures for these funds are detailed and included in the 2024-2028 Capital Improvement Plan. Expenditures for the Capital Replacement Fund are generated by franchise tax, grants, and fund balance. Expenditures for the Public Facility Projects Fund are funded with franchise tax, and transfers from the Enterprise Funds and General Fund's fund balance. The Capital Improvement Plan has been structured for all of these funds to reflect a relatively level amount of annual expenditures.

Enterprise Funds

Enterprise Funds include the Water, Sewer, and Storm Water funds. Included within these budgets are capital expenses to fund the utility portion of street projects, and other utility infrastructure projects. These improvement projects are detailed in the 2024-2028 Capital Improvement Plan. The Enterprise Funds reflect increases in personnel costs related to COLA, wage steps, and health insurance benefits. The Water Fund has planned increases in the base rates and consumption rates included in 2024. The water rates have a projected need to increase the base fee by 6.0%, or \$0.80 per month for residential customers, and the consumption rate by 6.0%, or \$1.52 per month for the average residential customer. Based on the analysis from the Long-Term Financial Management Plan, it is proposed that the base sewer rate increase by 2%, or \$0.20 per month. The consumer volume rate is proposed to increase 2%, or \$0.44/ month. These rates continue to remain low in comparison to neighboring communities. The following budget also includes a 0% increase in the Water and Sewer Availability Charges. Based on an analysis with the Long-Term Financial Management Plan, Storm Water rates are to increase 17%, or \$1.27/month. The 2024 rate would

be \$8.75/RLE. These increases are needed to assist with the cost of additional regulations for water quality for storm water systems imposed by the State of Minnesota.

Internal Service Funds

Internal Service Funds include Workers Compensation and Property Liability. The City became fully-insured for workers compensation with the League of Minnesota Cities in 2014. The existing internal service fund is maintained to offset future costs of an outstanding claim that was open under the self-insured plan. The City has coverage for property and liability insurance with the League of Minnesota Cities Insurance Trust and uses the internal service fund to pay for deductibles and claims. The amount budgeted represents the expected claims and deductible expense for 2024.

SUMMARY

The City Charter under Sections 7.04 and 7.06 provides for the preparation and passage of the annual budget. The Charter requires the City Administrator to submit to the City Council an annual budget, which is a complete financial plan for all City funds and activities for the fiscal year. The City Council is responsible for review, revision and adoption of the budget and tax levy.

The 2024 Budget is a credit to the resourcefulness and dedication of the City's Leadership Team. We look forward to working with the Mayor and City Council and City Employees in carrying out the Community Vision 2040 and the work plan of this budget document.

Respectfully submitted,

Jeanne Schmuck
Finance Director

GENERAL FUND

The General Fund accounts for all revenues and expenditures of a governmental unit which are not accounted for in other funds. It is usually the largest and most important accounting activity for state and local governments, normally receiving a greater variety and number of taxes and revenues than any other fund. Specifically, it receives such revenues as general property taxes, license and permits, fines and penalties, rents, charges for current services, state grants and aids, and interest earnings. In turn the General Fund also finances a larger range of activities than any other fund.

ADMINISTRATION

COUNCIL (41110)

Department Description/Services

This activity provides the City Council with legislative control over matters of policy, as established by City Charter. The Council exercises budgetary control through the adoption of an annual budget certified by major funds. The Council appoints various citizen boards, commissions, and committees to render advice on legislative and policy related matters and provides general direction to the operating departments through the City Administrator.

2024 Budget Goals & Objectives

- Provide direction for the development and conducting of a Community Survey to be completed utilizing consultant services.
- Provide direction for labor negotiations to complete new compensation agreements with the various labor groups (current 3-year agreements expire at the end of 2024).
- Discuss the role of the City with the development of affordable housing within the community and identify any actions to be taken.
- Support continued implementation of the Comprehensive Plan; Downtown Master Plan; Parks, Trails, and Open Space Plan; and Community Vision/Strategic Plan.
- Attend training opportunities related to municipal governing.
- Consider and adopt revisions to the City Charter and Code of Ordinances as deemed appropriate.

Department Statistics

Budget Summary

Increases in salaries for the Mayor and Councilmembers were previously approved for 2023 and 2024 upon the passage of Ordinance 2022-29. The large increase in Other Svcs & Charges in 2024 is due to the budgeting for a Community Survey (\$50,000) along with financial assistance payments (per 5-year agreements executed in 2023) with River Bend Nature Center (\$60,000) and the Faribault Foundation (\$50,000).

ADMINISTRATION

CITY ADMINISTRATION (41320)

Department Description/Services

This activity provides the administrative direction for the City and its departments as provided by the City Charter and the Code of Ordinances. City Administrator serves as chief administrative officer for the City, ensuring that the Charter, ordinances, resolutions, and policies of the City Council are enforced and implemented. Moreover, the City Administrator is responsible for managing the overall operations of all City departments. Administration's responsibilities also include:

- Coordinate City Council activities including preparation of Council and Committee agenda packets and meeting minutes. Administer personnel policies/programs, (including compensation practices, labor relations, and contract negotiations), with the authority to hire, suspend, or terminate employees subordinate to administration and department directors subject to Council review and approval.
- Coordinate the recruitment and appointment of members to advisory boards and commissions.
- Manage official records and documents of the City, including agreements and contracts.
- Administer of licensing processes and procedures.
- Oversee the execution of City elections.

2024 Budget Goals & Objectives

- Replacement of the City Administrator due to planned retirement.
- Gather Council direction and coordinate with Human Resources Director for labor negotiations sessions to complete new compensation agreements with the various labor groups (current 3-year agreements expire at the end of 2024).
- Work with City Council, Department Heads, and Communications Manager to develop and conduct a Community Survey, including securing the services of a consultant/consulting firm.
- Develop and implement policies in response to 2023 legislative session outcomes, including legalization of recreational cannabis, paid family leave, and affordable housing support.
- Continue to lead efforts to finalize design, bid, begin construction, and secure State funding and/or private funds for the Downtown (North Viaduct Area) Park project.

POLICE DEPARTMENT

POLICE ADMINISTRATION (42110)

Department Description/Services

Police Administration provides vision, overall leadership, and functional direction of the department. The command staff consists of the Chief, two division Captains, a Sergeant, and a department Administrative Assistant. Together they coordinate the daily operations of the Patrol, Investigations, Community Services, and Records Divisions. Administration networks with various community entities, markets the agency, creates shared partnerships, manages daily operations, and responds to all public safety related issues or concerns.

2024 Goals & Objectives

The department is looking at several primary goals related to equipment and technology acquisition to stay modernized and up-to-date. In addition, the department is looking to support a variety of wellness and community engagement initiatives with funds allocated by the legislature under the Public Safety Aid Package:

- Replace our .45 cal Smith and Wesson handguns. A team of officers test fired a variety of makes/models and recommended the next generation 9 mm Smith and Wesson. The smaller frame of the 9 mm is better suited for all officers, the recoil is less, and proficiency improves without a significant loss of ballistic integrity. The department is able to sell our existing firearms, but there is considerable expense in new holsters, magazines, and optical sites.
- Acquire non-lethal and less-lethal weapons to equip every squad car.
- Explore the use of additional technology to enhance our data driven crime reduction and mapping strategy.
- Solidify the Officer Wellness fund through Public Safety Aid monies. To date, the wellness funds utilized by the department have been allocated from public donations. This is not sustainable or reliable in the long term. Boosting wellness funds will allow for more comprehensive screening, such as through the Sigma Tactical Health cardiac program (cardiac issues are the leading cause of death for officers).
- A dedicated funding source for department community engagement activities such as the “Safe Summer Kickoff”. While grant funds and local sponsors will always be accepted for such events, the on-going success of our engagement efforts can be solidified through department allocation.

POLICE DEPARTMENT

CRIMINAL INVESTIGATION (42121)

Department Description/Services

This activity provides for the investigation and processing of complaints related to all levels of criminal activity. Investigations include person crimes, property crimes, computer forensic investigations, and social service issues involving child and adult protection cases. School Resource Officers are assigned to both Faribault Middle and High School. This area also covers contributions to the Cannon River Drug and Violent Offenders Task Force housed out of the Faribault Police facility.

2024 Budget Goals & Objectives

- Continue to support and assist the Community Based Coordinator from Rice County who assists officers and provides services to individuals experiencing mental health or chemical health crisis. Continue the partnership with Rice County Social Services in investigating a high volume of adult and child protection cases.
- Upgrade surveillance and monitoring equipment, to include replacement of an obsolete portable alarm system to assist local business and residents with criminal deterrence.
- Provide advanced trainings, to include criminal financial investigation and crime scene processing to detectives to enhance and improve case investigation for successful prosecution.
- Expand our forensic extraction platforms to help investigations locate, process and utilize data from mobile and computing devices to assure successful identification of parties involved in criminal activity.
- Continue to provide effective school liaison services to the Faribault High School, Middle School and Elementary Schools. Provide consistent communication between the schools and police to create a safer environment for all students.

POLICE DEPARTMENT

UNIFORM PATROL (42123)

Department Description/Services

Police Patrol provides for the use of uniform patrol personnel in squad cars, bicycles, and on foot to perform functions throughout the City of Faribault. The basic function of this unit is to ensure the safety of the citizens of Faribault, protect property, prevent crime, and ensure traffic law compliance. Additionally, this unit is actively involved in Community Policing Projects.

2024 Budget Goals & Objectives

Patrol is looking to update some of our current equipment utilizing monies from the Public Safety Aid Package along with additional technology provided by AXON who currently supports our body cameras and squad cameras.

- New squad cameras will be installed in all patrol vehicles that will support the capability of (LPR) license plate reader technology that officers will be alerted when a stolen vehicle passes by or when there's a wanted vehicle entered into NCIC nationwide.
- Bike patrol is a great tool for officers to utilize in the summer months for events and routine patrol. Being able to move through the city covertly helps officers encounter active crimes occurring within the city. We plan on adding an additional E-Bike to our fleet.
- The department has partnered with Enterprise Fleet Services to provide the department with police vehicles. In 2024, we are looking to update four of our patrol vehicles to provide officers with necessary updated equipment.
- Better utilize and allocate officers to "hot spots" of criminal activity in the community by utilizing crime mapping technologies.
- Utilize AXON technologies to further reduce the amount of time officers spend in the office, thus increasing their presence in the community.

POLICE DEPARTMENT

COMMUNITY SERVICES (42700)

Department Description/Services

This activity provides for the protection of citizens and property from domestic animals, wildlife and vermin, in addition to the investigation of animal abuse and neglect complaints. The Community Services Officers (CSO) division contracts with Muddy Paws for animal services. This CSO division also provides for the enforcement of nuisance violations including: under-maintained sidewalks, unsightly yards, junked vehicles, noxious weeds, and enforcement of the Crime Free Multi-Housing ordinance and associated programs.

2024 Budget Goals & Objectives

- Obtain a second speed trailer due to the increase in traffic complaints/requests.
- Seek out more efficient ways to adopt out unclaimed animals.
- Replace steel trailer in need of repair with lightweight 8 x 10-aluminum trailer.
- Develop additional strategies to assist pet owners in identifying lost or missing pets.

FIRE AND CODE SERVICES

FIRE SUPPRESSION (42220)

Department Description/Services

The City of Faribault utilizes a combination fire suppression division with one Director of Fire and Code Services, three Fire Captains, and seven full-time Firefighters and is authorized to have twenty-seven Paid On-Call (POC) firefighters. Under the direction of the Director of Fire and Code Services, the primary services provided by the Fire Suppression division are:

- Fire Operations – Fire operations provides fire protection, emergency medical service delivery, technical rescue, and hazardous material emergency responses. The fire suppression division currently utilizes two engines, one aerial/engine combination truck, one heavy duty rescue/engine with technical rescue capabilities, (i.e. swift water, trench, confined space and high-level rescue), one Rural Fire Association tender, two pick-up trucks, two Technical Rescue Trailers, one Rescue Boat, one All-Terrain Vehicle and an Emergency Response/Rehab trailer.
- Fire Prevention – Fire prevention includes incident pre-plan programs, fire cause determination, internal safety investigations, citizen safety awareness programs, public fire education programs, public information services and the coordination of community relations events.
- Fire & Rescue Training – Fire training encompasses the coordination of fire suppression and rescue training and employee professional development of all fire suppression personnel.
- Fire Inspections – Fire inspections involve site visits to and education of owners/operators of commercial facilities within the City. The purpose of the inspection is to ensure commercial and industrial facilities meet International Fire Code.

2024 Budget Goals & Objectives

- Continue to educate staff utilizing the skills, experience, and knowledge of the existing staff.
- Maintain quality equipment through budgeting, replacement schedules, and in-house maintenance programs.
- Adjust response model along with the first responder partners in the ever-changing emergency response climate.
- Take delivery of a new rescue apparatus that will support the change to the response model.
- Continue the process of training the full-time staff up to technician level in trench rescue, confined space rescue, and rope rescue.

Total Part-Time Employees	24.00	24.00	24.00	24.00	27.00

Budget Summary

Increases made to this budget were in response to the increased cost of supplies and equipment. Most of the necessary equipment (personal protective equipment (PPE) for example) saw double digit percentage increases in their cost. Also, an increase in the overtime budget is needed to keep up with increases in wages due to step and cost of living adjustment (COLA) increases. An additional firefighter is added in 2024 and will be funded in 2024 and 2025 by the Public Safety Aid received through the 2023 Legislative session.

FIRE AND CODE SERVICES

CODE ENFORCEMENT/INSPECTION (42400)

Department Description/Services

The Code Enforcement/Inspection Division provides enforcement of property maintenance codes, plans review and inspection of all new construction, alteration, and/or repair projects within the City by a state-licensed Building Official, and administration of the Rental Housing Licensing and inspections program. The purpose of these inspections is to protect property owners and ensure compliance with the current MN State Building Code, Property Maintenance Code, Electrical Code, and their related appendices and local ordinances. The Code division services include:

- Building permit administration and plan review.
- Building code enforcement and inspections.
- Electrical code enforcement and inspections.
- Mechanical code enforcement and inspections.
- Plumbing code enforcement and inspections.
- Property maintenance code enforcement and inspections.
- Time of Sale inspections for manufactured homes.
- Rental housing licensing and inspections.
- Sign inspections.

2024 Budget Goals & Objectives

- Continue streamlining the permit process through the online permitting system.
- Research and implement licensing module to streamline the rental licensing program.
- Train new staff and encourage existing staff to attend trainings to further their knowledge in building and property maintenance codes.

PUBLIC WORKS

PUBLIC WORKS ADMINISTRATION (43110)

Department Description/Services

This department provides for the administrative direction of public works services including the Streets Division, Utilities Division, Water Reclamation Facility, Right-of-Way, and Airport in the Public Works Department, along with administrative staff.

The Director oversees the budgets for the various divisions in the department, working with the respective superintendent with the following duties:

- Prepare and submit annual budget and capital improvement plan documents for consideration by Administration and the City Council.
- Provide information and recommendations to the City Council, Administration, and other departments as necessary regarding the operations of the Public Works Department.
- Prepare, submit, and present various documents to the City Council for action, and to Administration and other departments in support of other City operations. Ensure City and department policies, standards, and other governing documents (employee handbook, collective bargaining agreement, etc.) are being followed by assigned staff.
- Provide direction on establishing departmental goals and objectives, and identifying and ensuring the necessary resources are available to meet those goals and objectives.

2024 Budget Goals & Objectives

- Continue implementation of the asset management software to improve efficiency of department.
- Conduct a review of equipment maintenance staffing.
- Continue onboarding for new staff.

Department Statistics

Total Full-Time Employees	2.00	2.00	2.00	2.00	2.00

Budget Summary

The implementation of asset management software will improve tracking operational and lifecycle costs for City assets. The software will also be able to help with identifying operational efficiencies that will be a benefit for future budget planning. The continued optimization of this software will be necessary to meet the changing needs of the department. Upgrading the Administrative Assistant II position to Administrative Coordinator resulted in higher personnel costs in 2023.

PUBLIC WORKS

STREET MAINTENANCE (43121)

Department Description/Services

This activity provides for maintenance of City streets, including patching, crack filling, seal coating, tree trimming, mowing of road sides, and street sweeping. In addition, this budget includes the Street Division employee and equipment costs for ice and snow removal from City streets (as well as state and county highways covered under maintenance agreements) along with traffic control signals/signage. The Public Works and Parks Maintenance building operational costs are also included in this budget.

2024 Budget Goals & Objectives

- Implementation of assessment management program features into work flow process to increase efficiencies.
- Replacement of service truck.
- Evaluate seal coating program.

Department Statistics

Total Full-Time Employees	9.00	9.00	9.00	9.00	9.00

Budget Summary

The rising cost of materials (bituminous mix, cold patch, seal coat oil) continue to impact the budget, often resulting in decreased amounts of maintenance activities such as seal coating. Aging infrastructure will have a role in developing future budgets and determining service levels. The continued implementation of new technology and methods will assist in mitigating cost increases.

PUBLIC WORKS

ICE & SNOW REMOVAL (43125)

Department Description/Services

This activity provides for materials and outside services for ice and snow removal on City streets, alleys, trails, and parking lots including the cost of deicer, sand, and the contract hauling of snow from the public right-of-way. It does not include any employee costs or equipment for removal of ice and snow, which are included in the street maintenance budget.

2024 Budget Goals & Objectives

- Continue to adjust chemical application equipment to optimize efficiency.
- Apply salt only with no sand where practical.
- Increase the use of untreated salt when conditions allow.

Department Statistics

	2021 Actual	2022 Actual	2023 Projected	2024 Estimated
Snow Removal (Inches)	60	58	55	50

Budget Summary

Annual snowfall amounts have the most significant impact on the budget. The average snowfall is approximately 44", with the winter of 2022-2023 being slightly above average. Climate trends along with the rising cost of salt will have significant roles in future planning. Implementing current technology may provide some relief in providing efficiencies yielding cost savings. The use of treated salt in areas has improved efficiency. Converting to straight salt from sand/salt mixture where applicable has resulted in reduced spring street sweeping costs.

PUBLIC WORKS

EQUIPMENT MAINTENANCE (43126)

Department Description/Services

The Equipment Maintenance Division provides maintenance services for the City's vehicle fleet (limited fire) and equipment in order to provide safe and efficient operations. In addition, this division provides for maintenance and operation of the City fleet fueling system located at the Public Works & Park facility.

The department performs routine repair and maintenance of trucks, cars, heavy and light equipment, and various pieces of capital equipment. The department also provides in-house welding and metal fabrication services.

2024 Budget Goals & Objectives

- Replace the F550 service truck.
- Use asset management software module for fleet maintenance.

Department Statistics

	2021 Actual	2022 Actual	2023 Projected	2024 Estimated
Work Orders	775	770	775	800

Mechanic	2.00	2.00	2.00	2.00	2.00
Total Full-Time Employees	3.00	3.00	3.00	3.00	3.00

Budget Summary

The budget for equipment maintenance should remain fairly consistent from year to year. However, aging equipment and inflationary price increases of parts could have a significant impact on the budget. Leasing options for vehicles was reviewed in 2023 and determined to not be beneficial due to the configuration of vehicles in the fleet.

STREET LIGHTING (43160)

Department Description/Services

This activity provides for the operation and maintenance of street lighting and traffic signals. The department coordinates repairs and maintenance of street lights and traffic control devices with a contract electrical service provider.

2024 Budget Goals & Objectives

- Convert lighting in the downtown to LED.
- Update street light inventory.

Department Statistics

	2021 Actual	2022 Actual	2023 Projected	2024 Estimated
Traffic Signals	13	13	13	13
Street Light Outage Reports	12	11	12	10

Budget Summary

A main influence on the street light budget is the cost of electricity and the repair/maintenance of aging systems. The use of LED fixtures has decreased the monthly electricity use as well as being more reliable and having fewer outages reported. The City currently operates and maintains multiple lighting and signal systems along state and county highways per past agreements, some of which will be replaced in 2024.

TRAFFIC SIGNS & SIGNALS (43170)

Department Description/Services

This activity provides for the maintenance and repair of traffic control signage, signals, and pavement markings. The department is responsible for replacing/repairing signs, updating sign inventory, maintaining traffic control devices and striping roadways and City parking lots.

2024 Budget Goals & Objectives

- Coordinate as necessary with MnDOT on signal upgrades at TH21/Lyndale Ave. & 7th St. NW, TH60 & Western Ave., 3rd St. NE & 1st Ave. NE and 30th Ave., NW & TH60.
- Update street sign data base in asset management software.

ENGINEERING

ENGINEERING (43190)

Department Description/Services

The Department of Engineering Services is a staff service department, which is defined as a department organized to provide for the internal support necessary for the basic operation of the City organization and the function of other City departments. Revenues to support this department are generated from service charges to various capital improvement projects (similar to an engineering consulting firm). Department staff are located at the Public Works & Parks Maintenance building. The Department of Engineering Services provides for:

- Civil-engineering-related services, including design engineering and project management for the construction of public improvements.
- Project-inspection-related services, including field inspection of the construction of public improvements and maintenance of public works records for public facilities and infrastructure.

POLICE DEPARTMENT

PUBLIC SAFETY PROGRAMS FUND (215)

Department Description

This budget consists of Criminal and DUI forfeitures and seizures. These seizures continue to build annually and are only used on special occasions to assist law enforcement with combatting drivers involved in operating vehicles under the influence of drugs and alcohol. Funds are typically utilized to purchase items used for traffic control safety projects, special enforcement traffic vehicles, preliminary breath test (PBT) portable devices, Radar and Lidar speed detection devices, and special traffic enforcement projects often shared with mutual aid agencies with a focus on traffic safety. The program takes in revenue through the sale of forfeited and seized vehicles and property along with cash seizures related to criminal activity. There are strict requirements for distribution of forfeited assets that require the department to distribute proceeds to various entities under Statutes 609.5315 and 169A.63 (DWI). Seizures associated with drug activity are seized through the Cannon River Drug and Violent Offender Task Force and are not placed within this City fund.

2024 Budget Goals & Objectives

- Statutory changes at the state-level have greatly reduced and limited the number of forfeitures and seizures eligible to be processed by the department; however, we will continue to focus enforcement efforts on traffic safety and DWI enforcement.
- Because of fund limitations, the goal for 2024 (and beyond) is to preserve an emergency balance for must-have, unexpected, and unanticipated equipment replacement.

Budget Summary

This fund is forecasted to continue to deplete over time. Beyond 2025, equipment purchased through the fund will likely need to be supplemented through the use of operational funds.

LIBRARY

LIBRARY DONATION FUND (217)

Fund Description/Services

The City of Faribault received a substantial donation from the Estate of Robert L. Crandall for the benefit of Buckham Memorial Library and the use of those funds is undesignated. The bequest funds were accepted via Resolution 2021-218 on October 12, 2021. The Library Advisory Board and Staff worked together to create the Library Donations Fund Spending Policy to ensure that these gift funds and other donations made to the library going forward are used to make a positive and lasting impact for the citizens of Faribault. The City Council approved the Library Donations Fund Spending Policy via Resolution 2023-017 on January 24, 2023.

Fund assets are invested in accordance with the City's Investment Policy. Three specified allocations have been created and are set up as follows: Permanent Endowment Allocation, Library Upgrade Allocation and Makerspace Incubator Allocation. According to the policy mentioned above, distributions from the Library Donations Fund shall be made to meet the supplemental needs of the library to fulfill its mission but in an amount that permits the Permanent Endowment Allocation to be maintained in perpetuity. Distributions from the Library Upgrade Allocation and the Makerspace Incubator Allocation will be made by the Library Director, with input from the Library Advisory Board following approval from the City Council through the budgetary processes.

2024 Budget Goals & Objectives

- Upgrade the technology of the Great Hall including a built-in sound system, a hearing loop system, a visual/projection system and other accessibility upgrades.
- Install acoustic treatments, lighting, shades and other amenities to improve user and audience experience in the Great Hall.

PUBLIC WORKS

AIRPORT FUND (225)

Fund Description/Services

The Airport operates as a Special Revenue Fund (225). The primary revenue sources for this fund are land leases (privately owned hangar sites), building rents (City-owned hangar space), and federal and state funds. The Airport budget reflects the costs for operating and maintaining the Airport, including supplies, other services and charges, and capital outlay.

This activity provides for the operation, maintenance, and improvement of the Faribault Municipal Airport. The City uses contract services for a Fixed Base Operator (Quality Aviation, since 2000), who provides day-to-day management and maintenance services for the Airport.

2024 Budget Goals & Objectives

- Replacement of the Automated Weather Observation System (AWOS).
- Adjust hangar and land rent rates to ensure there is adequate operational funding available.
- Secure one additional private hangar build.

Department Statistics

	2021 Actual	2022 Actual	2023 Projected	2024 Estimated
Hangar Leases	25	25	25	25
Land Leases	36	36	37	37
Agricultural Leases (Acres)	68.8	68.8	68.8	68.8
Available Hangar Sites	8	8	7	7

Staffing Levels

There are no City employees assigned directly to the Airport budget. The City contracts with Quality Aviation to provide services as the Airport Manager and Fixed Base Operator. Overall direction and oversight of the Airport are the responsibility of the Public Works Director, with support from the Public Works Department Administrative Coordinator. In addition, a 7-member (appointed volunteers) Airport Advisory Board provides recommendations on the operation and management of the airport.

Budget Summary

The Airport budget can vary significantly from year to year depending upon large capital improvement projects. The budget relies heavily on outside funding from the Minnesota Department of Transportation (MnDOT) and the Federal Aviation Administration (FAA) to complete these projects as well as funding for a significant portion of the maintenance and operation expenses. The completion of the Airfield Lighting Improvement project in 2023 will lead to lower energy consumption and decreased annual maintenance costs. In 2023, the Airport ceased receiving operating levy support. The budget reflects a management fee for city employees. Hangar and land rental rates are proposed to increase 5% in 2024 to provide adequate operational funding.

COMMUNITY & ECONOMIC DEVELOPMENT

CITY RENTAL PROPERTY FUND (211)

Fund Description/Services

Fund 211 includes the revenues and expenditures related to the City-owned single-family residence at 16 1st Street SE – the only residential rental property owned by the City. Community and Economic Development staff manage the property. The City intends to remove the existing residence once the current tenant ends their lease.

2024 Budget Goals & Objectives

- Manage and maintain the residence, but avoid any unnecessary improvements given the City intends to remove the residence once the current tenant ends their lease.

COMMUNITY & ECONOMIC DEVELOPMENT

TAX ABATEMENT FUND (239)

Department Description/Services

Tax abatement is a development tool to provide an attractive financial incentive for quality development within the City. Tax abatement is a business subsidy that can utilize all local taxing authority to provide a package that is custom tailored to the site and business needs to assist with a financial gap within a project. It may be used to capture some or all of the taxes it imposes on a parcel of property. It can apply those captured proceeds to specific, designated uses, so long as the benefits at least equal the costs to the City, and it is in the public interest as defined by the statute.

2024 Budget Goals & Objectives

- Utilize tax abatement to support development and investment in the Community.
- To utilize all or a portion of local property tax revenues to assist with commercial or housing development.
- Determine the structure of the duration and amount of the abatement as it deems appropriate.
- Work with other jurisdictions to coordinate all captured capacity to be remitted.

Fund Statistics

Trystar, LLC	\$23,316	\$54,312	\$61,056	\$78,194
TruVue, Inc.	\$0	\$0	\$0	\$1,819

Budget Summary

The budget is based on projections of tax abatement payment utilizing the current market values and the details of the various agreements with the individual organizations. The tax levy is established to match the abatement anticipated captured amounts to be remitted. This will be adjusted annually as the budget is based on estimates and the actual expenditures remitted are based on the actual captured amounts.

COMMUNITY & ECONOMIC DEVELOPMENT

COMMUNITY AND ECONOMIC DEVELOPMENT ADMINISTRATION FUND (240)

Fund Description/Services

Fund 240 supports the Community and Economic Development (CED) Department efforts to address issues and opportunities related to economic development, community development, housing, heritage preservation, and the natural environment. CED staff serve as liaisons and provide administrative support to the Faribault Housing and Redevelopment Authority (HRA), the Faribault Economic Development Authority (EDA), the Elderly Housing Corporation, the Heritage Preservation Commission (HPC), and the Environmental Commission. This fund supports the following services:

- General department leadership, organization, and support;
- Department personnel management;
- Budget management;
- Interdepartmental coordination; and
- Community relations.

2024 Budget Goals & Objectives

- Monitor the costs and benefits of using a property management firm to manage the HRA's housing and make adjustments as necessary.
- Ensure staff have adequate training, equipment, and software to conduct their work efficiently and professionally.

Budget Summary

This fund primarily covers staffing expenses to administer and manage the HRA's housing, economic development, historic preservation, community development, sustainability, and special project activities. In 2022 and 2023, there was a pass through grant for the Farmer Seed project. The 2024 budget reflects outsourcing some work associated with the HRA's housing, which CED staff will monitor for its effect on the budget. Personnel costs decreased due to restructuring of the department.

SCDP REVOLVING LOAN FUND (247)

Fund Description/Services

The Minnesota Department of Employment and Economic Development (DEED) awarded the City of Faribault a \$459,738 Small Cities Development Program (SCDP) grant in 2009. In 2017, the grant had a balance of roughly \$445,000, and the US Department of Housing and Urban Development (HUD), which provided the SCDP funding, directed that the City spend down its grant. On February 26, 2019, the City Council approved Resolution 2019-037, which approved the City's revised spending plan for the SCDP funds, pending DEED approval. The revised spending plan identified the City would spend the funds in 2018 and 2019 on the following projects related to the removal of blight:

- Signage, including wayfinding, banners, and parking lot signs;
- Landscaping, including public parking lot landscaping and streetscape improvements on 1st Avenue NW; and
- Public realm improvements, including benches, public art, and security cameras.

As of July 2023, the City spent most of the original fund. However, the fund had \$84,000 remaining for streetscape and parking lot improvements. The City intends to close out the 2019 spending plan and adopt a new spending plan to spend down the remaining funds.

2024 Budget Goals & Objectives

- Work with DEED to close out the 2019 spending plan.
- Work with the City Council and DEED to create, adopt, and implement a new spending plan to spend the remaining funds.

HOUSING & REDEVELOPMENT AUTHORITY

PUBLIC HOUSING FUND (241)

Fund Description/Services

In 2023, the Faribault Housing and Redevelopment Authority (HRA) repositioned its 49 public housing units to a Rental Assistance Demonstration (RAD)/Section 18 Blend. Starting in 2024, Fund 241 will no longer receive operating or capital fund disbursements from Housing and Urban Development (HUD). Instead, the fund will collect and retain rents to cover all administrative and capital expenses for housing management. Traditionally, Community and Economic Development (CED) staff managed the 49 housing units covered by Fund 241 on behalf of the HRA. However, due to CED staffing changes in 2023, the HRA contracted with Cornerstone Management Services to manage the 49 housing units.

2024 Budget Goals & Objectives

- Monitor the costs and benefits of using a property management firm to manage the HRA's housing and make adjustments as necessary.
- Initiate discussions with the HRA, HUD, qualified nonprofit organizations, and others to determine the costs and benefits associated with transferring ownership and management of the HRA's 49 housing units to a nonprofit organization or other entity that will guarantee the housing units will continue to serve income-qualified tenants in perpetuity.
- Promptly fill units vacated by tenants to help ensure the financial health of the fund and that residents in need can move into the housing as quickly as possible.
- Conduct a facilities study to budget for future capital improvements and maintenance costs, including cost-effective energy efficiency improvements.

Fund Statistics

Budget Summary

The HRA's repositioning of its 49 public housing units to a RAD/Section 18 Blend required significant consultant and legal fees in 2022 and 2023, which reduced the fund's balance. There are many uncertainties with this fund. There is a limited track record to analyze the impact of having a property management firm instead of City Staff. However, starting in 2024, the fund's balance should improve. Nevertheless, staff must closely monitor the activity in this fund, and make adjustments as necessary.

HOUSING & REDEVELOPMENT AUTHORITY

CRV REHABILITATION PROGRAM FUND (254)

Fund Description/Services

Fund 254 administers and manages a down payment assistance program to assist mobile homeowners in upgrading their mobile homes. The Minnesota Housing Finance Agency (MHFA) provided funds in 2002, 2004, and 2008 in connection with a Community Revitalization Fund (CRV) agreement. However, the agreement has expired. The Faribault Housing and Redevelopment Authority (HRA) and the MHFA must renew their agreement before the HRA can access the remaining funds. In 2023, the HRA entered into an agreement with Healthy Community Initiative (HCI) to fund HCI mobile home coordinator for 2023 and 2024. The HRA will strive to execute a new agreement with MHFA in light of the mobile home coordinator's efforts.

2024 Budget Goals & Objectives

- Determine the viability of accessing the fund to help mobile homeowners upgrade their mobile homes.
- Renew the HRA's agreement with MHFA to utilize these funds.

ECONOMIC DEVELOPMENT AUTHORITY

FEDERAL INVESTMENT REVOLVING LOAN FUND (248)

Fund Description/Services

The federal government provides funding, and the State of Minnesota distributes funds associated with this fund. In the past, the Faribault Economic Development Authority (EDA) successfully applied for Federal Investment Funds to support specific business growth and expansion projects. The EDA provided low-interest industrial development loans to support private efforts to expand and recruit industries that create jobs and increase the property tax base. Reuse of program funds are governed by federal rules and regulations, which include federal LMI and prevailing wage. While there are a number of eligible uses for the funds, industries are not interested in accessing the program due to the added costs that the federal rules add to an overall project both short- and long-term.

2024 Budget Goals & Objectives

- Continue to explore ways to use the fund. If necessary, work with the State of Minnesota to transfer these funds to another fund, increasing the likelihood of deploying the funds to support federal objectives.

ECONOMIC DEVELOPMENT AUTHORITY

MINNESOTA INVESTMENT REVOLVING LOAN FUND (249)

Fund Description/Services

This program is funded through State of Minnesota economic development grants provided to the City. The City uses the awards for low-interest industrial development loans in support of private efforts to establish new, expansion of, or relocation of industries. Wage and job creation are required with new loans. Eligible use of funds includes: land acquisition, purchase of equipment, and site improvements. The Faribault Economic Development Authority (EDA) retains a percentage of the loan payments as a local revolving loan fund for industrial development in the City. All loans must meet the State of Minnesota's reuse policy.

In 2018, the City took advantage of the one-time exception offered by the State of Minnesota, to return 20-percent of the fund balance, retaining 80-percent of the funds with no reuse requirements – making \$638,165 available for other EDA programming. This fund is being replenished through loan payments.

2024 Budget Goals & Objectives

- Continue to allow the program funds to grow through the repayment of loans. As the fund replenishes, the fund balance will be used for eligible projects.

ECONOMIC DEVELOPMENT AUTHORITY

ECONOMIC DEVELOPMENT AUTHORITY ADMINISTRATION FUND (290)

Fund Description/Services

Fund 290 supports the activities of the Faribault Economic Development Authority (EDA), including industrial development and redevelopment, business recruitment and retention, commercial rehabilitation, marketing, workforce development, and tax increment financing administration. The Community and Economic Development Department administers the EDA's activities and, in coordination with the EDA, provides the following services:

- Develop and implement the annual EDA Economic Development Work Plan;
- Develop and administer the EDA's economic development programs;
- Market economic development opportunities;
- Administer industrial and commercial development financial assistance programs;
- Develop and administer the Downtown Revitalization Program; and
- Develop, recruit, and support business and workforce development.

2024 Budget Goals & Objectives

- Continue to implement budgeted downtown revitalization efforts, including managing a \$500,000 pass-through loan from the City to Faribo Downtown Central.
- Continue to support partner organizations assisting with the implementation of economic development goals in the community (SMIF, MMP, Chamber of Commerce).
- Implement the Highway 60 West Gateway Corridor Master Plan, which the EDA expects to complete in 2023.
- Focus on the retention and expansion of existing businesses and industries while strategically pursuing new industries that the EDA has prioritized.
- Reestablish the City's Sustainable Industries Cohort as a means to retain and recruit businesses and industries.
- Continue to identify and address significant barriers that prevent businesses and industries from locating in Faribault.

ECONOMIC DEVELOPMENT AUTHORITY

ECONOMIC DEVELOPMENT AUTHORITY REVOLVING LOAN FUND (292)

Fund Description/Services

Fund 292 offers payable and forgivable loans for eligible economic development projects. Originally, the program limited funding to projects within a primary transportation corridor that would visually enhance the property and the community. In 2012, the Economic Development Authority expanded the use of funds for low-interest loans for facade improvements in the Downtown Business District. In 2021, the Economic Development Authority authorized and funded the Economic Development Incentive Program (EDIP). Currently, the fund provides the following:

- Loans and grants for site improvements in a primary transportation corridor that visually enhance the property and community;
- Microloans for façade improvements in the Downtown Business District; and
- Economic development incentives for targeted industries.

2024 Budget Goals & Objectives

- Continue to use funds to support visual enhancements along primary transportation corridors and support the retention, growth, and attraction of targeted industries.
- Limit the number of small awards to reduce administration costs and ensure sufficient funds are available for significant projects.
- Balance the forgivable loan awards with the need to maintain the long-term viability of the fund.

TAX INCREMENT FINANCING DISTRICT FUNDS (263-275)

Fund Description/Services

This component unit activity is the Faribault Economic Development Authority's tax increment project fund. This account group includes the management of tax increment projects which have been approved for funding and the disbursement of tax increments for the service of debt and pay-as-you-go payments on previously approved projects. In addition, this account group may provide legal services, consultant services, and administrative costs associated with processing tax increment financing requests.

2024 Budget Goals & Objectives

Continue implementation of active Tax Increment Finance (TIF) districts and the implementation of new districts to support city-wide housing needs and economic development objectives.

ENGINEERING

STREET IMPROVEMENT PROJECTS FUND (401)

Fund Description/Services

The Street Improvement Projects Fund (401) provides the City's cost share on street reconstruction, overlay, and sidewalk projects, as well as other miscellaneous projects as approved. Individual project funds are established for significant roadway improvement projects, using Funds 450-499. The City's goal is to program street improvements using a 50-60-year life cycle, wherein streets are reconstructed after 50-60 years, with overlays at about years 20-25 and 35-40. Multiple funding sources are needed to sustain this program.

The City receives an annual allocation from the State of Minnesota for use on the City's Municipal State Aid (MSA) street system. These monies come from constitutionally dedicated taxes on motor fuels and vehicles, and a statutorily dedicated portion of the revenue from the state motor vehicle sales tax. MSA construction funds are used for the construction, reconstruction, and overlay of streets designated on the City's MSA system as well as any cooperative construction projects with the State of Minnesota or Rice County. FHWA funding as well as other potential State funding is available on a competitive basis, for which the City is required to submit applications for specific projects.

2024 Budget Goals & Objectives

- Construct local infrastructure improvement projects and provide City share of funding for projects identified in the 2024 Capital Improvement Plan and Adopted Budgets (Funds 401 & 450-499)
 - ~ Local and/or MSA Street Reconstruction Projects
 - ~ Local and/or MSA Street Overlays and Sidewalks
 - ~ Downtown Area Parking Lot and Alley Improvements
 - ~ Other Miscellaneous Projects as designated.

Budget Summary

Revenue sources for 2024 include \$1,536,000 of the franchise fees collected on gas and electric utilities; \$79,820 of the MSA maintenance allotment; \$275,000 of Federal CIP Grant; \$280,000 construction revenue, and special assessments (from previous years) to benefiting properties in accordance with the Community Management Plan and Minnesota Statutes Chapter 429; and the use of unallocated/excess fund balance as required. Replacement of municipal utilities as part of street improvement projects are paid for from the respective utility fund (Water-601, Sanitary Sewer-602, and Storm Sewer-603).

The City has been successful in receiving federal aid and state funds in the past to assist with the funding of a number of projects, and needs to continue to pursue those opportunities when appropriate, as well as other grant funding programs that become available.

Principal payment of the MSA bonds issued in 2021 is a transferred expenditure totaling \$164,000.

PARKS AND RECREATION

PARK IMPROVEMENT FUND (404)

Fund Description/Services

This activity provides for major facilities and equipment improvements for City park facilities. Fees are received from the parkland dedication requirements based on development. These fees are dedicated for the purpose of park improvements. A portion of the utility franchise fees collected by the City are also allocated to this fund for park improvements. Facilities and equipment improvements include:

- Park Buildings
- Playgrounds
- Athletic Fields
- Recreational Trails
- Parkland Site Improvements

2024 Budget Goals & Objectives

- Install additional playground equipment at North Alexander Park.
- Construction of Northern Links Trail.
- Start construction of downtown (viaduct area) park.
- Seal coat and maintain a section of Straight River Trail (Prairie to Spring Park).

CAPITAL REPLACEMENT FUND (431)

Fund Description/Services

This fund accounts for the replacement of major capital items for General Fund departments. This fund was developed in order to eliminate fluctuations in departmental operating budgets from year to year due to capital outlay purchases. Capital items with a cost of \$5,000 or more are budgeted in this fund.

2024 Budget Goals & Objectives

- Provide for the replacement of equipment as identified in the five-year Capital Improvement Plan.
- Provide for project financing as identified in the five-year Capital Improvement Plan.

Budget Summary

The Capital Improvement Plan has been prepared and adopted with the corresponding budget. Detail information on capital expenditures can be found in the 2024-2028 Capital Improvement Plan.

PUBLIC FACILITIES FUND (437)

Fund Description/Services

This fund accounts for the maintenance of City buildings and other improvements such as parking lots of General Fund departments. This fund was developed in order to eliminate fluctuations in departmental operating budgets from year to year due to capital outlay purchases.

2024 Budget Goals & Objectives

- Prioritize improvements from the facility maintenance studies.
- Continue researching renewable energy options for potential energy cost savings.

Budget Summary

This budget is used for facility improvements for all City facilities. This budget has continuous fluctuation based on the activities within the five-year Capital Improvement Plan.

WATER UTILITY FUND (601)

Fund Description/Services

This fund provides for the operation of the water system so that a continuous quality supply of water is furnished to customers at a reasonable cost. The water supply is maintained at proper pressure levels and bacteria free. Metering devices are also maintained to account for usage.

The primary services provided by this fund are production, treatment, and distribution of potable water for the residents, businesses, and institutions in the City of Faribault. Water is pumped from five municipal wells. The distribution system also provides the general fire protection system (hydrants) for the City. This division works closely with the engineering division on municipal utility improvement projects, and is also responsible for City utility locates under the Gopher State One Call system.

2024 Budget Goals & Objectives

- Upgrade the antenna and receiver for AMI meter reading system.
- Continue phase two of the rehabilitation of the 2 million-gallon reservoir.
- Complete phase two of the water meter radio replacement project.

*Superintendent is split 50/50 between Water and Sewer Collections (listed under Sewer).

Budget Summary

In 2023, the water fund saw increases to the annual base rate and consumption rate increase of 4%. The increases were necessary to cover the debt service for the construction of the Water Treatment Plant funded by a 20-year (\$10M) low-interest (1%) loan from the Public Facilities Authority. Per the Long-Term Financial Management Plan (LTFMP) increases for 2024 are purposed to be 6% to keep pace with inflation. Water meter radios replacements will continue in 2024 as the second year of a three-year project to ensure compatibility with the upgraded software reading system. Continued evaluation of the water distribution system will be necessary to ensure that changing service demands are met. The five-year Capital Improvement Plan contains details for upcoming system improvements.

SEWER UTILITY FUND (602-49450)

Department Description/Services

This activity provides that all City sanitary sewer mains are inspected and cleaned to assure proper operation. The sanitary sewer collection system is comprised of sewer mains and lift stations which transport wastewater to the Water Reclamation Facility.

Under the direction of the Utilities Superintendent, the primary services provided by this division are:

- The collection and conveyance of wastewater from properties to the Water Reclamation Facility for treatment.
- Maintenance of the system includes systematic cleaning of the lines, along with preventative maintenance of the twelve lift stations.

This division works closely with the Engineering Department on municipal utility improvement projects, and is also responsible for City utility locates under the Gopher State One Call system.

2024 Budget Goals & Objectives

- Continue to gather and enter infrastructure data into the asset management software to assist with future capital project planning.
- Collaborate with Engineering on sewer lining projects.

WATER RECLAMATION FACILITY (602-49480)

Department Description/Service

This activity provides for the operation of the Water Reclamation Facility (WRF) which collects and treats all wastewater from the collection system. The system maintaining treatment units including screening, grit removal, clarifiers, filters, UV disinfection, activated sludge system, sludge pumps, and anaerobic digesters. Also included is the disposal (land application) of biosolids (sludge) from the treatment process.

Under the direction of the WRF Superintendent, the primary services provided by this division are:

- Receive and treat all municipal wastewater, in compliance with the facility's discharge permit.
- Meet limits for Biological Oxygen Demand (BOD) Removal, Total Suspended Solids (TSS) Removal, and a 1 mg/l Phosphorus Limit, along with other permit limits.
- Collect, treat, and dispose of bio-solids (sludge) resulting from the treatment process.
- Maintain compliance with permit requirements for land application of the bio-solids.
- Manage the Significant Industrial User (SIU) discharge contracts for major industries within the City, including permit compliance and calculation of charges.
- Manage the seasonal yard waste site that is located at the facility.

2024 Budget Goals & Objectives

- Replace influent wastewater pump.
- Prioritize future treatment improvements identified from master planning process.

Budget Summary

The sewer collection department maintains the sanitary sewer system. Inspecting the condition of the system to collect data will be important for future planning of capital improvements. Aging infrastructure will continue to have significant impacts on the budget.

The Water Reclamation Facility will continue to see budget increases for chemicals used to remove phosphorous along with increased maintenance costs on aging equipment. Large capital projects will be present in future budget cycles as identified by the treatment alternatives analysis conducted in 2023. The projects will replace aging equipment to maintain MPCA permit compliance as well as allow for future growth. The NPDES permit expires in 2024. New environmental regulations could impact future budgets.

PUBLIC WORKS

STORMWATER UTILITY FUND (603)

Department Description/Services

This activity provides for the operation, maintenance and repair of the stormwater conveyance system, and implementation of the city-wide Stormwater Pollution Prevention Program (SWPPP) for compliance with the NPDES Municipal Separate Storm Sewer System (MS4) permit program, which authorized the City to discharge stormwater runoff. Infrastructure and stormwater facilities are properly maintained to manage, convey, and treat stormwater runoff. In addition, infrastructure improvements are constructed and repaired as may be deemed necessary.

Primary services include:

- Implement the City SWPPP for compliance with the MS4 permit.
- Implement a land disturbance permit and enforcement program to ensure development and re-development projects (private and public) comply with the City's pollution prevention and stormwater management requirements.
- Evaluate technical plans and documents and provides site plan review for public and private projects.
- Implement an illicit discharge detection and elimination (IDDE) and enforcement program to locate and eliminate illegal discharges and connections to the City's stormwater drainage system.
- Implement a public education and outreach program and municipal stormwater pollution prevention/good housekeeping program.
- Seek and obtain Federal and State funding that may be available for the completion of stormwater capital improvement projects.
- Inspect, maintain, and repair the stormwater drainage system, including structural stormwater practices (e.g. ponds, underground storage and filtration systems).
- Ensure the City complies with applicable stormwater regulations.

2024 Budget Goals & Objectives

- Implement measures from stormwater pond survey.
- Inspect public stormwater infrastructure to identify future improvement needs.

Budget Summary

Compliance with the MS4 Permit will continue to be one of the largest challenges the stormwater fund will face. Results from the 2023 stormwater pond inventory will identify large scale improvement projects such as dredging public stormwater ponds.

Future regulatory trends will influence operation and maintenance costs. A recent rate study indicates that rates will need to increase 17.5% in the years 2024-2028 to ensure that adequate revenue is being captured to operate the system.

INTERNAL SERVICE FUNDS

Internal Service Funds provide centralized services primarily to other funds, departments or agencies of the City of Faribault. These services are provided on a cost reimbursement basis and are recovered through fees and charges.

FINANCIAL ADMINISTRATION

WORKER'S COMPENSATION FUND (704)

Fund Description/Services

This fund provided for self-insurance of employee's workers compensation claims and related administrative expenses. In 2013, the City moved from self-insurance to a full-insured plan through the League of Minnesota Cities Insurance Trust. The budget includes an estimated number of claims and administrative expenses for run-out claims preceding the move from self-insured to fully-insured. This fund will be closed upon finalizing the handful of old pre-existing worker's compensation claims.

Budget Summary

Other Services and Charges cover medical claims, indemnity claims, and professional services for the handling of open claims. The City receives Worker's Compensation coverage through the League of Minnesota Cities insurance Trust. The 2024 budget reflects a minimal amount expensed for run-out claims and revenue generated from interest earnings. Premiums will be expensed from the fund and/or department insured.

PROPERTY LIABILITY FUND (705)

Description/Services

City insurance coverage is provided through the League of Minnesota Cities Insurance Trust. Currently, the coverage has a \$50,000 deductible.

- Coordinate property/liability insurance
- Risk Management

Budget Summary

Deductibles or claims under \$50,000 are paid from this fund. Miscellaneous revenues reflect the annual dividend paid by the League of Minnesota Cities Insurance Trust Fund. Annual premiums are paid directly from the individual funds and/or department with claims as an expense to the internal service fund and paid from this fund along with the deductible.

AGENCY FUNDS

Agency Funds are used to account for assets held by the City as an agent for private organizations and for the various funds of other governmental units, most notably the Elderly Housing Corporation and Robinwood Manor.

COMMUNITY & ECONOMIC DEVELOPMENT

ELDERLY HOUSING CORPORATION FUND (897)

Fund Description/Services

Fund 897 supports the mission of the Elderly Housing Corporation (EHC) to provide affordable housing at Robinwood Manor – a 51-unit apartment building owned by EHC for income-qualified elderly and disabled tenants. EHC contracts property management services with the Faribault Housing and Redevelopment Authority (HRA). Traditionally, Community and Economic Development (CED) staff managed Robinwood Manor on behalf of EHC. However, due to CED staffing changes in 2023, the HRA contracted with Cornerstone Management Services to manage Robinwood Manor. Also, in 2022-23, four of five EHC board members resigned and were replaced by HRA commissioners. Consequently, the EHC and the HRA are discussing dissolving the EHC and transferring Robinwood Manor to the HRA or a nonprofit organization. However, no changes have occurred.

2024 Budget Goals & Objectives

- Continue to coordinate with the EHC on the management of Robinwood Manor.

COMMUNITY & ECONOMIC DEVELOPMENT

ROBINWOOD MANOR FUND (898)

Fund Description/Services

Robinwood Manor Apartments is a 51-unit apartment building located at 1324 Prairie Avenue that provides subsidized rental units for individuals 62 years of age or older and/or disabled persons. Rents are based upon thirty percent (30%) of the residents' adjusted annual income. The complex is owned by the Elderly Housing Corporation (EHC) with management services provided by the Faribault Housing and Redevelopment Authority (HRA). In 2023, the EHC and HRA authorized a property management firm to manage Robinwood instead of Community and Economic Development staff.

2024 Budget Goals & Objectives

- Monitor the costs and benefits of using a property management firm to manage Robinwood and make adjustments as necessary.
- Initiate discussions with the EHC, HRA, HUD, qualified nonprofit organizations, and others to determine the costs and benefits of transferring ownership and management of Robinwood to another entity that will guarantee that Robinwood will continue to serve elderly low-income and/or disabled persons.
- Promptly fill vacant units to ensure the financial health of this fund.

Number of Units	51	51	51	51
Occupancy Percent	99%	98%	95%	99%
Unit Turnovers	5	8	8	8

Budget Summary

Robinwood Manor, as a housing facility, remains stable. However, there is a limited track record to determine the impact of having a property management firm manage the facility. CED staff, on behalf of the EHC and HRA, must closely monitor this fund – particularly as it relates to property management fees – and make adjustments as necessary.

SOCIAL SECURITY/MEDICARE

The City contributes 7.65% for employees covered under both Social Security and Medicare and 1.45% for Medicare only qualified employees. Social Security and Medicare rates have not changed since 1990.

HEALTH INSURANCE

Health insurance rates have been rising steadily for the last few years. The City elected to solicit quotes for 2024 for a new health insurance carrier. Blue Cross and Blue Shield was selected as the carrier for 2024. The City offers two high deductible health plans that employees can choose from. In addition, for 2024, there will be two different networks offered for employees to choose from which will be the AWARE network and a High Value Network. The High Value Network will offer lower premiums, but is more restrictive on which providers are in the network.

LIFE INSURANCE

The City provided \$40,000 of term life insurance coverage for all union employees through 2016. Effective in 2017 the City began providing \$100,000 of term life insurance coverage for all union employees. Non-union employees receive twice their salary in term life insurance coverage. The provider for life insurance for 2024 will be Madison National Life Insurance Company. Rates have remained fairly stable and are at \$0.119 per \$1,000 of covered payroll in 2024.

DISABILITY INSURANCE

Long Term Disability insurance is provided to all employees. Employees must have been absent from work for a period of 90 days to become eligible for the benefit. The provider for disability insurance will be Madison National Life Insurance Company. The 2024 rate remained the same at \$0.002 per \$1 of covered payroll.

Resolution #2023-14

APPROVING THE FINAL PROPERTY TAX LEVY FOR FY2024

WHEREAS, the Housing and Redevelopment Authority of Faribault, Minnesota (the "HRA") may request the establishment of a special benefits tax pursuant to Minnesota Statutes 469.033 Subdivision 6; and

WHEREAS, the HRA did on August 14, 2023, by Resolution 2023-09 establish and request a preliminarily levy for a special tax on the taxable property of the City of Faribault, Rice County, Minnesota for fiscal year 2024 in an amount not to exceed 0.0185 percent of the taxable market value as permitted in Minnesota Statutes as shown in Exhibit A; and

WHEREAS, the 2024 estimated taxable market value in the district is \$2,055,421,700; and

WHEREAS, the maximum the City Council can levy for HRA purposes in 2024 is \$380,253 ($\$2,055,421,700 \times 0.000185 = \$380,253$); and

WHEREAS, the HRA has prepared a preliminary work program and budget that depends on the HRA receiving the maximum levy amount allowed by the statute.

NOW, THEREFORE, BE IT RESOLVED, by the Housing and Redevelopment Authority of Faribault, Minnesota (the "HRA"), that it establishes and recommends the City Council approve a 2024 tax levy of \$380,253 for HRA purposes per the proposed 2024 budget on file with the City.

RESOLUTION #2023-12

ESTABLISH THE EDA'S FINAL TAX LEVY FOR FISCAL YEAR 2024

WHEREAS, Minnesota Statute 469.107, Subdivision 1 provides that a City may, at the request of its Economic Development Authority (the "EDA"), levy a tax each year on all taxable property within the taxing district for the benefit of the EDA; and

WHEREAS, Minnesota Statute 469.107, Subdivision 1 limits the levy to a maximum of 0.01813 percent of the estimated taxable market value in the district; and

WHEREAS, the 2024 estimated taxable market value in the district is \$2,055,421,700; and

WHEREAS, the maximum the City Council can levy for EDA purposes in 2024 is \$372,648 ($\$2,055,421,700 \times 0.0001813 = \$372,648$); and

WHEREAS, the EDA prepared a preliminary work program and budget that depends on the EDA receiving the maximum levy amount allowed by Minnesota Statutes; and

WHEREAS, the EDA approved Resolution 2023-10 on August 17, 2023, which requested that the City Council establish the EDA's preliminary tax levy for fiscal year 2024 at the maximum allowed by Minnesota Statutes; and

WHEREAS, the City Council approved Resolution 2023-165 on September 12, 2023, which approved the EDA's 2024 preliminary tax levy request.

NOW, THEREFORE, BE IT RESOLVED, by the Economic Development Authority of Faribault, Minnesota (the "EDA"), that there be and hereby requested a levy on the taxable property of the City of Faribault, Rice County, Minnesota, for fiscal year 2024 a special benefit tax not to exceed 0.01813 percent of taxable market value as permitted in Minnesota Statutes. Based on the City's existing capacity, it is estimated that \$372,648 will be the maximum appropriation available through taxation. The requested tax levy amount is \$372,648.

RESOLUTION #2023-238

ADOPTION OF 2024 FEE SCHEDULE

WHEREAS, multiple chapters of the Faribault Code of Ordinances requires the City of Faribault to set fees, charges and utility rates; and

WHEREAS, Resolution 2023-099 last established the fees, charges and utility rates as authorized in the City of Faribault Code of Ordinances.

NOW, THEREFORE, BE IT RESOLVED, that the fees, charges and utility rates listed in Exhibit A shall be effective beginning January 1, 2024.

ALSO, BE IT RESOLVED, that whenever any provision of this resolution is in conflict with the City of Faribault Code, it is the intent of the City Council that the Code shall prevail.

ALSO, BE IT RESOLVED, that this resolution shall supersede Resolution 2023-099 or any previous measures of the City Council that sets, establishes or fixes a specific amount for such fees, charges and utility rates.

CITY OF FARIBAULT

RESOLUTION #2023-239

APPROVE 2024-2028 CAPITAL IMPROVEMENT PLAN

WHEREAS, a five-year Capital Improvement Plan has been prepared that takes into consideration the implementation of policies and programs previously established by the City Council, the urgent need and necessity for certain projects, the appropriate sequence of construction of projects in relationship to other projects, and the capital expenditures necessary to carry on a balanced program; and

WHEREAS, the five-year Capital Improvement Plan allows the City to construct improvements in accordance with predetermined priorities that help stabilize tax rates while revealing the source and extent of funds needed in future years; and

WHEREAS, the City Council intends to annually adopt a five-year Capital Improvement Plan after reviewing, amending and extending the plan an additional year; and

WHEREAS, the scheduling of capital improvement projects allows the public to become aware of long-range municipal needs and provides a mechanism for coordination of project both with one another and with the City's long-range comprehensive plan.

NOW, THEREFORE BE IT RESOLVED, that the City Council of the City of Faribault, Minnesota, hereby approves the 2024-2028 Capital Improvement Plan.

RE: Capital Improvement Plan 2024-2028

Dear Mayor and City Council:

The City Council and its staff have been entrusted with the responsibility for ensuring that the infrastructure of the community is kept in an appropriate state of repair, and is improved to meet the needs of growth and development.

The City is charged with proper maintenance of the Community's infrastructure and assets. Our responsibility to the City is to make critical decisions about the priorities for infrastructure maintenance. These decisions must be made not only on the basis of need, but also on the basis of availability of resources, and the long-term impact on the Community.

One of the best approaches to this decision making process is to use long-range planning as a means of identifying needs, available resources, and the significance of the impact. The five-year Capital Improvement Plan (CIP) is a long-range planning tool the City can successfully use in setting the priorities for the Community's infrastructure improvement.

While the physical improvements in the 2024-2028 CIP can be amended as circumstances warrant, the CIP does provide a solid framework for allocating personnel and finances, while coordinating the activities of various departments. The cost estimates used are indeed estimates and can be refined during the budget process, in feasibility studies, and bidding processes.

WHY DEVELOP A CAPITAL IMPROVEMENT PLAN?

A Capital Improvement Plan involves:

1. Identifying major public facilities needed to serve existing developments, or
2. Determining when these improvements should be provided, and
3. Deciding how to finance them.

Programming capital improvements provides one significant way of realizing the City's Comprehensive Plan and Community Management Plan. A CIP does this by developing methods to achieve projects identified, by specifying the timing and/or staging of public facilities to support the sequence of growth proposed in the plan, and assuring the needed public facilities will be available to support existing needs and planning growth.

A CIP is also a way for the City Council to state its recognition of and commitment to future City capital needs by utilizing this method of planning for the City's capital improvements and scheduling the expenditures over a period of several years in order to maximize the use of public funds. It is the means of coordinating the physical development plan with a financial plan. The CIP should be updated each year and extended one year to compensate for the year expired. In this way, a CIP is a current document that is kept responsive to the City's changing conditions and needs.

Carefully planned and prepared, a CIP will enable the City to realize a number of benefits:

- Major improvements can be anticipated in advance rather than overlooked until critically needed. Thus, large expenditures can be budgeted over a period of several years.
- Several community development projects contained in the comprehensive plan stand a better chance of being implemented if they are included in the Capital Improvement Plan (i.e. traffic improvement projects, a total permanent street network, utility system improvements).
- It enables the City Council to focus its attention on the needs of the entire City and to put into perspective pressure from special interest groups and proponents of special projects.
- It enables the City to take a long-range view of needed improvements and determine responsibilities for future development within a context of the whole picture of the City's needs and ability to pay.
- Projects can be scheduled within the City's anticipated ability to finance, and time is available to determine merits of various sources of revenue.
- Capital programming permits better coordination between the various City departments, and facilities coordination with other government agencies.
- Capital planning improves the City's ability to use State and Federal financial assistance programs. Applications can be timed to fit the development schedule.

FINANCIAL PLAN

A critical portion of the CIP is the planned method of finance. Before a CIP is adopted, it is necessary to examine in detail the financial status of the City. The analysis of this status should include the following:

- Revenue sources (past trends, current and future estimates)
- Operating expenses (past trends, current and future estimates)
- Present and pending capital improvement expenditures
- Present bonded indebtedness, terms of retirement, projected debt

- service payments, and statutory limits
- Projection of operating and maintenance costs related to proposed capital improvement projects
- Establishment of fiscal policy to determine whether to issue bonds for capital projects, utilize general revenues, request federal and state aid and establishment of an assessment policy.

When considering the CIP, consideration should be given to the timing of the proposed improvements and all available sources of financing. The following questions should be answered:

1. Is the improvement needed immediately or can it be delayed until some future date without jeopardizing the Community's welfare?
2. Can the Community absorb the cost through existing revenues and develop projects on a pay-as-you-go basis, or will revenue or general obligation bonds be necessary?
3. Are State and Federal aids available as a source of funding?

While a pay-as-you-go policy is considered desirable, most communities find a need to utilize long-term bonding programs for the best timing and sound financing. Actual methods of financing is presented in greater detail in a separate section.

ADOPTION OF PLAN

All City departments have had the opportunity to provide input on the recommended CIP. It is recommended that the City Council review and adopt the new CIP and amend it as desired.

Sincerely,

Jeanne Schmuck
Finance Director

Description

Replacement of the gymnasium divider curtain and motor.

Justification

This curtain is used to separate the gym into two (2) separate halves to allow for more use. It is also a safety feature for adult volleyball as it keeps the balls on their side of the gym and does not disrupt other courts.

Only the curtain was replaced in 1999; the 20 year old motor was not replaced. Typically both the curtain and motor are replaced at the same time as a new curtain requires a new style of motor.

Description

Two (2) 86" Smartboards and computers for the Fire Station and the Emergency Operations Center (EOC).

Justification

The 86" Smartboard has a high-definition display, interactive features, easy to assemble and disassemble, and no safety fences required. The Fire Department would like to update the smartboard(s) at the Fire Station and at the EOC.

Description

2003 United Trailer - Serial #3841 - Unit #TRT1

Acquisition Date: 7/10/2003

Justification

This trailer, which stores the technical rescue equipment, was acquired with a Homeland Security Grant. This trailer was in the CIP for 2023 for replacement but did not anticipate the price increase that trailers have experienced. This larger trailer will allow the Fire Department to go from three (3) trailers down to two (2).

Description

The Lucas 1 is an automatic chest compression device used to deliver chest compressions to pulseless patients.

Justification

This machine delivers highly effective chest compressions to pulseless patients. This machine will be ten (10) years old in 2025 and it is very important to have reliable life saving equipment.

Serial Number: 9061

Acquisition Date: 3/11/2008

Mileage: 31,542 as of 7/17/2023

Justification

The Fire Departments current apparatus 2115 is scheduled to be replaced as it is twenty (20) years old. They are still reliable but to keep them longer than 20 years is risky as water is hard on equipment and once apparatus gets this old they are expensive to fix and maintain.

Serial # 1FTJW36G5VEC39823

Acquisition Date: 8/29/1997

Mileage: 24,152 as of 10/24/2023

Justification

With the discovery of firefighter cancer rates being twice that of other human beings, ways are being found to minimize the exposure of cancer causing particles to firefighters. This vehicle is key in minimizing exposure. All of the apparatuses are designed for specialized jobs but not one of them has any "spare" room to haul stuff that won't fall onto the road and be damaged or lost. Many times dirty equipment is hauled back in the passenger compartment of a vehicle because that is the only secure place to put it. This exposes firefighters in the passenger compartment to cancer causing particles.

Description

The Great Hall technology will be upgraded by installing a hearing loop system, sound system, projector, motorized screen, acoustic panels, and other equipment to enhance the user and audience experience.

Justification

The acoustics and size of the Great Hall make it difficult to hear and enjoy programming in this room. The technology currently used in this area is old and outdated. These upgrades will help make programming hosted in the Great Hall more accessible.

Description

Replacement of the compressors at the ice arena. Request is for 1/3 of the cost from the City, 1/3 of the cost from the School District, and 1/3 cost from the Hockey Association. The Hockey Association will be responsible for the purchase of the compressor.

Justification

The current compressors are 26 years old and use R22 freon. These compressors are no longer available to purchase. In 2022, a compressor required \$40,000 worth of repairs just to keep it running. We need to make the investment to keep the ice arena working for years to come.

Description

UTV designed to hold up to 4 passengers. UTV will access remote and hard to reach areas of the City in need of law enforcement/rescue services.

Justification

A UTV would be utilized as part of the daily patrol response. The all-terrain aspect of the UTV and ability to drive on City streets will enable better and more visible patrols in the City parks, trails, and areas otherwise inaccessible to patrol vehicles. Response to emergencies in parks/trails will improve as well as higher visibility patrol at community events, parades, and activities.

Description

Fire Station #2 would be a new building on the north end of the City. It would house both fire apparatus and firefighters with eating and sleeping quarters.

Justification

The Fire Department emergency runs are multiplying. The existing station only has enough room for one (1) more full-time firefighter per shift. If and when the City goes to five (5) firefighter shifts, the City will have to build another station to house that many firefighters. The Fire Departments response time is important as the City stretches its boundaries to the north. Placing a second station to the north will maintain a better response time for citizens living and working on that end of town.

Replace 2009 lower level locker room, stairwell, and hallway carpet with square carpet sections to remain pattern constant through the facility.

Justification

The department has been in the police facility since 2009 and has already replaced worn carpet in the main level and upper levels through previous CIP plans to keep the facility looking professional. Carpet in the large EOC lower level was also replaced with funding through the Dispatch Center and CARES Act. Replacement carpet was installed as square panels which increase the ability to repair just a small soiled or damaged area. To remain consistent throughout the facility, some smaller sections in the lower level / locker room still require replacement.

SUBJECT: Ordinance 2023-23 Amending Article V of Chapter 14 of the Faribault City Code of Ordinances (Second Reading)

Background:

When discussing boards and commissions earlier this year, the Council was supportive of eliminating the Council-appointed Tourism Commission, and instead having the Faribault Area Chamber of Commerce and Tourism (the "Chamber") establish an internal board or committee that would advise and provide direction on the use of lodging tax funds for promoting the city. The Tourism Commission was originally established upon the passage of Ordinance 2014-14. Ordinance 2023-23 essentially reverses that, removing the requirement for a Tourism Commission.

The revisions were reviewed at the Council Work Session on November 21st, with the Council in support of the changes, and Ordinance 2023-23 was approved on first reading on November 28, 2023. There have been no changes made or any comments received since first reading.

CITY OF FARIBAULT
ORDINANCE 2023-23

**AMENDING ARTICLE V OF CHAPTER 14 OF THE FARIBAULT CITY CODE OF
ORDINANCES**

THE CITY OF FARIBAULT ORDAINS that Article V of Chapter 14 of the City Code of Ordinances shall be amended by the deletion of the ~~stricken~~ language and the addition of the underlined language as follows:

Section 1. Sec. 14-91. through Sec. 14-96., Article V., Chapter 14 are amended as follows:

Sec. 14-91. Examine records.

The city administrator and those persons acting on behalf of the city administrator authorized in writing by the city administrator may examine the books, papers and records of any operator in order to verify the accuracy of any return made, or if no return was made, to ascertain the tax as provided in this article. Every such operator is directed and required to give to the said city administrator, or to his or her duly authorized agent or employee, the means, facilities and opportunity for such examinations and investigations as are hereby authorized.

Sec. 14-92. Contract with state.

Pursuant to Minnesota Statutes, Section 469.190, subdivision 7, the city administrator is authorized to confer with the Minnesota Commissioner of Revenue to the end that an agreement between the city and the commissioner of revenue may be entered into for the purpose of providing for the administration and collection of the taxes imposed by this article. Such an agreement shall not become effective until presented to the council for its approval and when so approved the tax imposed by this article shall be collected and administered pursuant to the terms of said agreement.

Sec. 14-93. Violations.

Any person who shall willfully fail to make a return required by this article; or who shall fail to pay the tax after written demand for payment, or who shall fail to remit the taxes collected or any penalty or interest imposed by this article after written demand for such payment, or who shall refuse to permit the city administrator or any duly authorized agents or employees to examine the books, records and papers under his or her

control, or who shall willfully make any incomplete, false or fraudulent return shall be guilty of a misdemeanor.

Sec. 14-94. Agency.

The city may enter into a separate agreement with an agency or more than one agency for purposes of marketing and promoting the city as a tourist or convention center using lodging tax proceeds. Any agency shall equally promote and market all sectors of the city; preferential treatment for certain sectors or subsets is prohibited.

Sec. 14-95. Distribution of proceeds.

The gross proceeds from the lodging tax pursuant to this article shall be used in accordance with Minnesota Statutes, Section 469.190, as the same may be amended from time to time, to fund the agency for the purpose of marketing and promoting the city as a tourist or convention center.

~~Sec. 14-95.1. Tourism commission.~~

~~—A tourism commission for the city is hereby established. The tourism commission shall consist of seven (7) voting members. The members of the tourism commission shall be appointed by the city council upon the recommendation of the city's general affairs committee and shall represent the following sectors of the community:~~

- ~~(1) One city council representative;~~
- ~~(2) One member from the lodging industry;~~
- ~~(3) Four (4) members representing community assets (these members may be from the lodging industry, restaurants, attractions, retail, history, arts and culture, community festivals, parks and recreation or an applicant with pertinent marketing or tourism related expertise, or as otherwise determined by the city);~~
- ~~(4) One representative from the agency.~~

~~—All members of the tourism commission, except any city council member which shall be appointed on an annual term, shall have terms of three (3) years expiring on January 31, with such terms to be staggered for the members as set forth in the city council's appointing resolution for~~

~~terms of one, two (2) or three (3) years respectively, from the date of their appointment. Members shall hold their offices until their successors are appointed and qualified. Any member may be removed by a majority vote of the city council. Every appointed member of the tourism commission shall, before entering upon the discharge of his or her duties, take an oath that he or she will faithfully discharge the duties of his or her office. Any vacancy on the tourism commission during a term of office shall be filled by the city council for the unexpired portion of the term.~~

~~—The tourism commission shall hold at least six (6) meetings per year, which shall include a meeting in January and one planning session. The commission shall set an annual meeting schedule for the upcoming year at their final meeting of the current year—meetings shall be held on a day and time within the month that is consistent throughout the year. The tourism commission may reschedule a meeting with a minimum three-day notice to all members.~~

~~—The tourism commission shall elect a chairperson from among its appointed members for a term of one year; and the tourist commission may create and fill such other offices as it may determine. All members of the tourism commission shall serve without compensation. On or before November 30 of each year, the tourism commission shall submit to the city council a report during the preceding year. The tourism commission shall keep a record of its transactions and findings, which record shall be a public record.~~

~~Sec. 14-95.2. Tourism commission obligations.~~

~~—The tourism commission shall advise the agency as hereinafter established on the appropriation of funds collected pursuant to this article for the purpose of marketing and promoting the city as a tourist and convention center. The tourism commission may revise its obligations from time to time with approval by the city council.~~

~~Sec. 14-95.31. Contributions.~~

~~As authorized in this article, the city council may establish a tourism commission, which shall advise the agency on the appropriation of proceeds collected pursuant to this article for the purpose of marketing and promoting the city as a tourist or convention center. The city council, by resolution, may designate up to one hundred (100) percent of the proceeds collected from this tax to the agency for the purpose of marketing and promoting the city as a tourist or convention center.~~

- (1) *Annual budget.* The agency shall submit a preliminary annual budget for the next calendar year to the ~~tourism commission~~city ~~by August 31 of each year, and a final annual budget for the next calendar year to the tourism commission for approval~~ by October ~~31~~15 of each year. The agency shall submit the ~~approved~~final budget for the next calendar year to the city council by November 30 of each year. The ~~approved~~final budget shall identify the uses for the requested funds out of the lodging tax proceeds. The annual budget shall be audited on a biannual basis using an agreed-upon procedure approved by the city administrator. The cost of the audit shall be paid for by the agency.
- (2) ~~Monthly~~Quarterly *reports.* The agency receiving lodging tax proceeds shall submit to the ~~tourism commission~~city a ~~monthly~~quarterly report detailing (1) list of bills/expense report, (2) budget to actual statement, and (3) current fund balance.
- (3) *Dedicated funds.* All lodging tax proceeds allocated to the agency shall be placed in a dedicated accounting fund by the agency.

Sec. 14-9~~5~~46. Appeals.

- (a) Any operator aggrieved by any notice, order or determination made by the city administrator under this article may file a petition for review of such notice, order or determination, detailing the operator's reasons for contesting the notice, order or determination. The petition shall contain the name of the petitioner, the petitioner's address and the location of the lodging subject to the order notice or determination.
- (b) The petition for review shall be filed with the city administrator within ten (10) days after the notice, order or determination for which review is sought has been mailed or served upon the person requesting review.
- (c) Upon receipt of the petition, the city administrator, or his or her designee, shall set a date for a hearing and give the petitioner at least five (5) days prior written notice of the date, time and place of the hearing.

- (d) At the hearing, the petitioner shall be given an opportunity to show cause why the notice, order or determination shall be modified or withdrawn. The petitioner may be represented by counsel of the petitioner's choosing at the petitioner's own expense.
- (e) The hearing shall be conducted by the city administrator or his or her designee, provided only that the person conducting the hearing shall not have participated in the drafting of the order, notice or determination for which review is sought.
- (f) The person conducting the hearing shall make written findings of fact and conclusions based upon the applicable sections of this article and the evidence presented. The person conducting the hearing may affirm, reverse or modify the notice, order or determination made by the city administrator. The decision shall be mailed by certified mail to the petitioner at the address stated in the petition.
- (g) Any decision rendered by the city administrator pursuant to this subdivision may be appealed to the city council. A petitioner seeking to appeal a decision must file a written notice of appeal with the city administrator within ten (10) days after the decision has been mailed to the petitioner. The matter will thereupon be placed on the city council agenda as soon as is practical. The city council shall then review the findings of fact and conclusions to determine whether they were correct. Upon a determination by the city council that findings and conclusions were incorrect, the council may modify, reverse or affirm the decision of the city administrator or his or her designee upon the same standards as set forth in subsection (f).

Sec. 14-96.1. Nonpublic data.

- (a) Data, other than basic taxpayer identification data, collected from taxpayers under this article are nonpublic data pursuant to the Minnesota Government Data Practices Act, Minnesota Statutes, Section 13.495. No city officer or employee shall provide or otherwise make known in any manner any data disclosed in any return required by this article or any information concerning the affairs of the person making the return acquired from such person's records, officers, or employees while performing an examination or audit, except in connection with a proceeding involving taxes due under this article from the person making such return. Nothing contained in this subsection, unless otherwise provided by law, shall be construed to prohibit the city administrator from publishing statistics so classified

that do not disclose the identity of particular returns and the contents thereof.

- (b) Notwithstanding subsection (a) of this section, the city may enter into an agreement providing for the administration and collection of the tax imposed by this article by the state department of taxation and its officers and agents.

Section 2. This ordinance shall take effect and be in force after its passage and publication in accordance with Section 3.05 of the City Charter.
