CHARITABLE GAMBLING ADVISORY BOARD MINUTES

COUNCIL CHAMBERS WEDNESDAY, NOVEMBER
19, 2025

6:00 PM

Call to Order/Approve Agenda

The meeting of the Charitable Gambling Advisory Board was called to order by Chairperson Rick Caron at 6:00 pm. Peter Dodge, Knights of Columbus, Chad Koepke, Faribault Youth Rotary, Mike Donkers, Elks, Troy Marquart, Bethlehem Academy, Ed Little, American Legion, Jason Tobin, Faribault Wrestling, Jon Sirek, Eagles, and Heather Slechta, City Clerk were also in attendance.

Approval of the Minutes of the August 20, 2025 Charitable Gambling Meeting

Motion by Little, seconded by Dodge to approve the minutes of the August 20, 2026 Charitable Gambling Meeting and carried unanimously.

Donation Requests

Midwest Community Development

Yakub Issak requested \$3,650.00 in funds for a new computer to enhance their technological capabilities.

Motion by Caron, seconded by Koepke to approve a donation of \$1,000 to Midwest Community Development and carried 7:1 with Marquart voting Nay.

Infants Remembered in Silence, Inc

Katie Savoie requested \$1,000.00 on behalf of Infants Remembered in Silence, Inc. to be used towards clothing and blankets for the burial of infants, handprints and footprints, sculptures of hands and feet, assisting parents with bathing and dressing the child, and photos. The funds will also be used to create bereavement support packets for parents, siblings, grandparents, other family members and friends of those experiencing infant loss.

Through much discussion it was the consensus of the Board to recommend a donation of \$2,000.00 to IRIS.

Motion by Sirek, seconded by Marquart to approve a donation of \$2,000.00 to IRIS and carried unanimously.

The Charitable Gambling Board also decided not to fund any previous requests from 2025 that already received donations from the Charitable Gambling Board.

The Finance Report was reviewed.

2026 Fireworks RFP

The consensus of the Charitable Gambling Board was to again send out a RFP for \$20,000 for Fireworks for July 4th, 2026, with a backup date of July 5th, 2026.

The next meeting will be on February 18, 2026, at 6:00 pm.

Adjournment

Motion by Dodge, seconded by Marquart to adjourn the meeting and carried unanimously.
The meeting was adjourned at 6:33 pm.

Respectfully Submitted,

Heather Slechta
City Clerk

Funds will be used to provide a life-changing opportunity for a veteran.

Believet Canine Service Partners is a nonprofit organization that provides highly trained service dogs, free of charge, to veterans with disabilities. Most veterans who receive a Believet service dog are challenged with Post-Traumatic Stress Disorder (PTSD), Military Sexual Trauma (MST), and/or physical disabilities.

The need for these services is significant. Within a 250-mile radius of Believet's training facility in Northfield, there are an estimated 21,000 veterans living with PTSD. Even more alarming, an average of two veterans die by suicide every week in Minnesota. Believet is committed to addressing these crises—one veteran and one dog at a time.

In 2025, Believet graduated 12 veteran/canine teams, six of whom live within 65 miles of Faribault, demonstrating the local impact of our work. We are on target to graduate 20 teams in 2026.

The life-changing effect of a Believet service dog is best illustrated through the experiences of our graduates and their families:

- One mother shared that before her son received his Believet dog, she never knew from day to day whether her son would still be alive the next morning.
- One veteran and his wife had not gone out to a restaurant in more than 10 years due to the severity of his PTSD. After receiving his Believet dog, he called the training facility and said, "Guess where we are?" They were out to lunch together—with his service dog by his side.
- One of this year's graduates, who experiences severe social anxiety related to PTSD, spoke at graduation. With tears in his eyes, he shared that he and his Believet dog were able to attend a Minnesota Twins game alongside 33,000 other fans.

The average cost of training a service dog is currently \$42,000. Funds will be used to help cover the overall care and training of the dog, as well as assist the veteran in covering expenses they may incur when completing their required training.

How will funds be used?
River Bend strives to make summer camp accessible for all youth in Faribault and surrounding communities. To achieve this, River Bend has made the cost of attending camp as low as possible as well as partnered with Faribault School District to provide breakfast and lunch, at no cost to campers, for the past couple of years. This year is especially challenging with many uncertainties as of the food service partnership and the overall increase in everyday items. Funds awarded through the charitable gambling fund would be used to cover the cost of food for campers in the event the food program with the school is unable to continue this year, provide additional snacks, cover expenses for camp supplies, extra fees for off-site camp offerings, as well as some overhead cost. The cost of everything has increased and River Bend has ensured that the cost to attend camp has remained the same. Thank you for your consideration!

<p>How will funds be used? Paradise Center for the Arts is committed to welcoming all people to experience the transformative power of the arts by offering high-quality artistic experiences and meaningful collaborations with community and regional partners. Grant funds will support a free, community-wide arts celebration in Central Park on September 10. Paradise Center for the Arts will partner with Mixed Precipitation to present a Pickup Truck Opera, a unique, accessible outdoor opera performed from the back of a pickup truck. Each year, Mixed Precipitation tours this signature outdoor opera extravaganza to communities across Minnesota, blending classical music, storytelling, and community engagement in a lively harvest-season celebration. These performances have become a beloved summer tradition in many towns and provide accessible, high-caliber performing arts experiences in informal public spaces. Prior to the opera performance, Paradise Center for the Arts will host a hands-on arts celebration highlighting the arts. Local teaching artists will lead free, interactive activities for children and adults, encouraging creative participation and community connection. Planned activities include drawing for all ages, led by Kate Langlais, and a wool felting project for all ages, led by Char Johnson. All activities and performances will be free and open to the public, and promoted locally to ensure broad access and participation for community members of all ages and backgrounds.</p>

City of Faribault
208 1st Ave NW
Faribault, MN 55021

Dear Heather,

Thank you for the opportunity to quote this year's fireworks display for Faribault. We were thrilled to have choreographed last year's display, and I am looking forward to working with you to design a show for the City of Faribault on July 4th, 2026 (rain date July 5th, 2026).

Our proposal lists the size, shell effect and quantity of shells for your fireworks display. Our show design uses piled, stacked and multi-break shells. They will be used to design the following parts of the show:

- Opening Barrage
- Main Show Body
- Select Patriotic Shells
- Signature Pattern Shells
- Multiple Effects Barrage Cakes
- Grand Finale

Per your request, the fireworks display will be a minimum of 20 minutes, but not exceeding 25 minutes. The proposal includes all materials, equipment, certified display operators, necessary permits, and \$5 million liability insurance. The total cost will be \$20,000.

See additional page for the confirmation of details, references, and the deviations from the specifications.

Understanding your vision is important to us. That's why we listen to your needs and expectations so we can create the kind of show that you've imagined. We deliver what we say we will, making sure you are satisfied.

Our displays are a turnkey operation and are coordinated with your event. We've always put safety as a priority when it comes to putting on displays. The lead operator will be in constant communication with the crew, local Fire Department, and event staff to ensure the shoot is safe and secure.

As you go through our proposal, please feel free to reach out with any questions you may have. I look forward to hearing from you!

Sincerely,

A handwritten signature in black ink, appearing to read "Cory Stinar".

FIREWORKS DISPLAY PROPOSAL FOR

Fireworks Display Proposal for

City of Faribault

July 4th, 2026

What's in My Fireworks Display?

We pride ourselves on having the most diverse inventory of fireworks product. This allows us to create a show unlike any of our competitor's shows.

The high-quality shells we use are chosen and crafted for their wow factor. Nearly all of them feature tailed and rising effect designs. This makes it easy for audiences to watch the fireworks streak up from the ground through the sky and burst into color overhead.

How is My Fireworks Display Presented?

The success of your fireworks show depends on the execution of your display. We understand the difference between "throwing a bunch of stuff into the air" and creating a synchronized visual and aural experience. We use Finale3D real-time simulation software to design our displays.

Over the years, we've determined the most effective display setup for an awe-inspiring presentation. We use an angled rack setup to cover a greater area of the sky. A variety of effects are shot simultaneously into the air in a "V" pattern, filling two separate areas of the sky with identical patterns.

The firing system that will be used to fire your display is the Cobra Firing System. This is a state-of-the-art computer firing system that has accuracy up to 1/100 of a second, which will automatically fire your pre-designed display.

You can expect:

- A preloaded fireworks show
- Precisely timed choreography
- No large gaps of time with only a black sky
- Easier control of show pacing
- Multiple firings at the same time
- Added safety for the audience and staff (limited handling of shells in the dark)

Your show's themes will be highlighted throughout our choreography, helping the audience better connect with and appreciate your event.

What's in the Main Show Body of My Fireworks Display?

Here's a list of the types of products you'll find in your fireworks display:

- Color and report shells
- Pattern shells, e.g., hearts, hourglass, stars, butterflies, rings
- Strobe and shimmer effects
- Glitter and tremalon shells
- Crackling and crossette shells
- Traditional Japanese shells, e.g., diadems, Saturns, palms, chrysanthemums

For your display, we'll also include a unique segment of signature pattern shells. These shells capture audience's attention with exciting patterns in the sky, like Saturn rings, colored stars with rings, smiley faces, jellyfish, concentric rings, poinsettias, and hearts.

We'll also include a red, white, and blue patriotic segment to showcase our country's colors. A variety of shell effects and designs will be used to highlight the colors of our flag.

There may be modifications to the listed products due to inventory availability, nature of the site and product upgrades.

What Can I Expect in My Fireworks Finale?

There'll be no mistake when your grand finale begins. The sky will illuminate with dazzling colors, becoming louder and more brilliant as the finale progresses. We're able to create this kind of experience by using multiple levels of effects. They appear to morph into waves of glittering colors that continue to increase in intensity until the pinnacle - complemented by breathtaking fancy color shells overhead.

How Do We Keep Our Shows Safe?

Safety is always first for all RES Pyro displays. We conduct annual training with our operators to ensure they are up to date on all internal policies and procedures and any changes to State and Federal regulations. All assistants receive on-site training specific to the display site.

We follow DOT regulations to transport all equipment and fireworks to the display site on the day of the display. Therefore, no on-site storage is required.

RES Pyro understands the importance of adhering to the NFPA 1123 code. We use fiberglass and HDPE mortars for launching shells, which are configured in racks and placed in banks.

From the time of arrival on site until they leave following the cleanup of the site, the display crew is always watching for unauthorized access to the site by the public. This involves working in conjunction with the local authority having jurisdiction so both parties have a complete understanding of the site perimeter.

During the display, members of the display crew are assigned as spotters to watch for malfunctioning firework effects and breach of the safety perimeter by the public.

After the conclusion of the display, the crew will conduct a thorough inspection of the fallout zone and clear any remaining live product, if necessary. Following this, all equipment, product debris, and packaging will be removed from the site.

1/12/2026

City of Faribault
208 1st Ave NW
Faribault, MN 55021

Specifications of details:

Per your request, the fireworks display will be a minimum of 20 minutes, but not exceeding 25 minutes.

The proposal includes all materials, equipment, certified display operators, necessary permits, and \$5 million liability insurance. The total cost will be \$20,000.

The proposal remains valid for a period of ninety (90) days from the due date of the proposal.

An insurance certificate will be issued following notification that our bid submission is successful.

The fireworks operator and assistants will begin setup at the display site at approximately 11:00am on July 4th, 2026. Following the display, the operator and assistants will pack all equipment for removal from the display location.

The following are references that you may contact:
